Loudoun Broadband Alliance Internet Access Survey

Seeks Your Input on Current and Future Internet Access

My office has been working closely with the Loudoun Broadband Alliance (LBA) to gain their expertise and input into our efforts to expand broadband to unserved and underserved areas throughout western Loudoun County.

LBA is a volunteer non-profit organization that was formed with a vision to promote development of accessible, reliable, and affordable broadband Internet access for the underserved in Loudoun County. Please note that LBA is not an official Loudoun County government entity, but rather a partner in the County's effort to expand broadband.

One way LBA is helping with this goal is by issuing the attached survey seeking resident and business owner input regarding current and future internet access. Along with providing demographic data, the questions are intended to better understand the needs and desires of our residents and businesses.

The results will enable LBA to generate updated mapping that can highlight coverage opportunities for broadband expansion to unserved and underserved areas within Loudoun.

The LBA advises that your responses and any personal information you choose to provide will remain confidential. Your responses will only be used to inform LBA's demographic studies related to broadband services in Loudoun County.

A Message from the Loudoun Broadband Alliance

Loudoun Broadband Alliance (LBA), a volunteer group formed with a vision to promote development of accessible, reliable and affordable broadband Internet access for the underserved in Loudoun County, encourages all Loudoun County residents and businesses to complete a short survey about their current Internet access. Along with providing demographic data, the questions are intended to understand the needs and desires of residents and businesses regarding existing and future Internet services.

The community-wide survey data results will enable LBA to generate updated mapping that can highlight coverage opportunities for broadband expansion to underserved and unserved areas in Loudoun.

Your responses and any personal information you choose to provide to LBA are confidential. Your responses to this survey will only be used to inform LBA's demographic studies related to broadband services in Loudoun County. For more information about how we use your information, see:
