Loudoun Has Started Phase 2 of Vaccinations

Dear Catoctin Residents,

Loudoun County has [started Phase 2](#) of the statewide vaccination plan effective yesterday, April 12. As of right now, the vaccine is being offered to everyone who is 16 or older.

You can pre-register for your vaccine by going to [Vaccinate.Virginia.gov](https://www.vaccinate.virginia.gov), or by calling 1-877-829-4682. You will then get an email invitation to schedule your vaccination shot. (Quick reminder: If you're under 18, you will need to be accompanied by a parent or guardian when you go get your shot.)

The wait time between pre-registering and getting your invitation was down to a few days, but Phase 2 has now opened the vaccine to a much larger group of people, so expect a longer wait.

If you've pre-registered but you haven't seen an invitation yet and would like to check your status, you can call the Loudoun County Health Department at 703-737-8300, Monday through Friday, between 9 AM and 5 PM.

Pre-Register Now

Sincerely,

Supervisor Caleb A. Kershner
