**Face Masks**

- **Fully vaccinated:** Not required to wear a face mask. *Some exceptions*
- **Unvaccinated:** Should wear a face mask .

**LOUDOUN COUNTY VIRGINIA** [loudoun.gov/coronavirus](https://loudoun.gov/coronavirus)

As of Friday, May 28, 2021, Loudoun County is implementing Governor Northam's [Executive Order 79 \(PDF\)](#), which lifts the remaining capacity limits and social distancing requirements that have been in place as part of the effort to reduce the spread of COVID-19.

#### Key Points

- **Face Masks:** Loudoun County generally no longer requires face masks to be worn by employees and members of the public who are fully vaccinated against COVID-19 and working in or visiting county facilities.

- **Exceptions:** Face masks are still required in public transit settings, such as Loudoun County Transit buses; health care facilities, such as the county's Dulles Town Center COVID-19 vaccination site; detention facilities and congregate care settings. Anyone participating in a jury trial at the Loudoun County Courthouse may be required to wear a face mask until further notice. Also, you should follow any mask requirements by private entities, such as grocery stores and restaurants.
- **Anyone who is not vaccinated**—including children ages 5 to 11—should wear a face covering in all public settings per Executive Order 79 and take precautions in accordance with [CDC guidance for unvaccinated people](#). In addition, the Virginia Department of Health still [recommends that people who are not fully vaccinated continue to practice physical distancing](#).
