## Loudoun County Pkwy Widening Update

**New Lane Each Direction Between Ryan Rd and Shellhorn Rd**

Sent: July 26, 2021

During Board consideration of the Silver District West application within the Dulles District, I voted to accept the applicant's proffer to **add an additional lane in each direction to Loudoun County Parkway between Ryan Road and Shellhorn Road.**

**The developer will pay for and oversee construction of this widening project to expand Loudoun County Parkway (Ryan Rd to Shellhorn Rd) to 6 lanes (3 lanes in each direction). The added lanes will be constructed within the existing median.**

**While an exact date is not yet known, construction is expected to begin very soon. Once the project starts, the developer will have 24 months to complete the project.**

The project is expected to reduce existing traffic delays currently experienced by many of my constituents in the Brambleton,

Willowsford, Loudoun Valley Estates, Martins Chase, and other communities.

Due to the approved proffers, this much needed multi-million dollar project will be completed without taxpayer funding and years sooner than it otherwise could have been delivered as a County and/or VDOT funded and managed project.

As always, my office will keep you informed as additional updates become available.
