THEN COMPLETE PREFERRED LOCATION SURVEY

Milestone Towers is proposing to construct a new wireless telecommunications facility (155 foot monopole and ground equipment) at Mickie Gordon Memorial Park (23229 Carters Farm Lane, Middleburg, VA 20117).

Currently, the applicant is seeking public input on which of two possible construction locations within Mickie Gordon Park the community would prefer. The community's preferred location will be reported to the Board of Supervisors when the application is considered for approval or denial. The community will also have

opportunities to provide input directly to the Board during the public application consideration process.

On Thursday, August 19, large balloons were flown simultaneously from each of the proposed locations at the height of the proposed tower (155' – this is a reduction in height from the applicants originally requested 185') to provide a visual reference of how the tower look from each of the proposed locations.
