

## Partial Trailhead Drive Road Closure & Detour (Nov 8-10)

### VDOT Installation of new Stormwater Drainage Pipe

Sent: November 5, 2021

I wanted to share with you that **Trailhead Drive between Lenah Road and Lenah Run Circle will be closed to traffic (weather permitting) from Monday, Nov 8th until Wednesday, Nov 10th from 9 am - 5 pm daily for VDOT installation of new stormwater drainage pipe.**

VDOT will detour traffic via Lenah Road and Lenah Run Circle back to Trailhead Drive; however, I wanted to provide advance notice of the detour so that drivers will have time to plan alternate routes ahead of time.

The new stormwater drainage pipe is a temporary measure to improve area water drainage and reduce Trailhead Drive flooding during heavy rain events until a more permanent solution can be implemented.

Note: For real-time VDOT traffic, work zone and incident information, visit [511virginia.org](http://511virginia.org), via the free mobile [511Virginia app](#), or by calling 511 in Virginia anywhere anytime.

All our best!
