Dulles Farms Traffic Calming Installation Complete!

Sent: November 29, 2021

I'm happy to report that all Traffic Calming measures in the Virginia Manor and White Oak Crest neighborhoods are now installed.

These include "Additional \$200 Fine" speeding signs, "Watch for Children" sign, speed humps, and a raised crosswalk.

Raised Crosswalk at Lennox Hale Drive

Speed Hump on Racing Sun Drive

"Watch for Children" Sign on Winning Glory Drive

On July 16, 2018, our office received a letter from the Dulles Farms Community Association requesting a traffic calming study to be

performed by Loudoun County due to the perceived excessive speeding in the Virginia Manor and White Oak Crest neighborhoods.

Over the last three years we worked closely with the community to address the concerns and identify solutions identified by both county staff and the Dulles Farms Task Force.

The Dulles Farms HOA Board approved this request in November 2020, and the Loudoun County Board of Supervisors approved the traffic mitigation measures in the December 2020 Business Meeting.

My January 2021 [Newsflash](#), announced Board of Supervisor approval of the traffic calming measures at the December 2020 Business Meeting and provided background on how this solution came to fruition.

My October 2021 [Newsflash](#) announced the timeline for installation of the above traffic calming measures and explained the process that county DTCI staff took in the months following Board of Supervisors approval.

THANK YOU!!!

I want to personally thank my colleagues, my staff, county staff, your HOA representatives and members of your community who participated in this successful traffic calming initiative!

All our best!
