Round Hill to Franklin Park Trail & Main Street Improvement Project Updates

Sent: January 5, 2022

Round Hill to Franklin Park Trail Update

Work on the Round Hill to Franklin Park Trail project is 80% complete with all but two areas at Lakefield Road connected and crews are continuing work to stabilize side slopes and ditch lines associated with the trail.

Town of Round Hill Main Street Improvement Project

On East Loudoun Street, 90% of the storm sewer pipe installation is complete. Crews are working to resolve a utility conflict before installing the remaining 60 feet of storm sewer pipe.

The Main Street storm sewer portion of the project is 70% complete.

Crews are working to install temporary pavement along East Loudoun Street to improve the driving surface while construction continues.

Please proceed with caution when traversing these areas until the project is complete. Project completion is currently anticipated for Spring or Summer of this year (2022).

More information, including a link to sign up for updates on these projects, can be found at loudoun.gov/roundhilltrail.

All our best!
