Broadband Expansion Update

**Register Now to Ensure You Are Included in this Project to
Connect the Remaining 8,625 Unserved Rural Residents &
Businesses!**

Sent: February 3, 2022

Loudoun Broadband Access ~~Could~~ ^{**WILL**} Extend West!!!

Now that Loudoun's Virginia Telecommunications Initiative (VATI) grant has been approved, the County's partnership with All Points Broadband and Dominion Energy moves ahead towards connecting the remaining 8,625 un and underserved rural residents and businesses with an actual fiber-to-the-home connection.

Residents and businesses can determine whether their address is included in the project area with the below link:

CHECK TO SEE IF YOUR ADDRESS IS INCLUDED

If the result of your address search is "Your Zone: Western Loudoun Project" than your address is included within the project scope.

Construction is expected to begin this summer (2022) and take approximately 24-30 months to reach all 8,625

addresses in the project area. The monthly price of service is expected to be comparable to other cable and fiber-optic internet service providers in the project area.
