Safety Improvements On Evergreen Mills Road & Watson Road

**Warning Flashing Beacons Installed
New Signage & Pavement Markings Coming Soon**

Sent: March 2, 2022

As you know, my office has worked since 2016 to make both Evergreen Mills Road (EMR) and Watson Road safer! That effort has resulted in numerous short term improvements being implemented now through October of 2022, and some still to come longer term improvements.

The project team has updated [graphics](#) depicting approximate locations of various safety improvements in progress.

Advanced warning beacons with constant 24/7 flashers are now installed and fully operational at the following locations:

- Eastbound approach to the Arcola Mills Drive/Briarfield Lane/Belmont Ridge Road, traffic signal.
- Westbound approach to the Evergreen Mills Road/English Yew Place/Heritage High School, traffic signal.
- Eastbound approach to the Evergreen Mills Road/Red Hill Road/Ryan Road, traffic signal.

Weather permitting, crews are expected to begin construction activities for new signage and pavement markings by mid March. This work will occur corridor wide and is expected to be completed by late Spring.

Find more information and sign up to stay informed about the EMR and Watson Road improvements via the [project page](#).
