## Household Hazardous Waste Collection

**THIS SATURDAY!** - March 26th from 8:30 am to 2:30 pm

Sent: March 23, 2022

## Household Hazardous Waste Event

**Saturday, March 26, 2022**

**Leesburg Park and Ride**

**19730 Sycolin Road**

**Leesburg**

**8:30 a.m. - 2:30 p.m.**

LOUDOUN  
COUNTY  
VIRGINIA

[loudoun.gov/hhw](http://loudoun.gov/hhw)

The first Loudoun County Household Hazardous Waste (HHW) collection event for 2022 has been scheduled for this weekend!

**Saturday, March 26, 2022**

**8:30 am - 2:30 pm**

**Leesburg Park and Ride, 19730 Sycolin Road, Leesburg**

The purpose of this program is to provide a safe, free method for residents to dispose of the unused, old or unwanted hazardous materials stored in their homes. Household hazardous waste is any waste produced in the home that is dangerous or potentially harmful to human health or the environment.

### **What's Accepted:**

- Typical HHW includes: fluorescent light bulbs, dry-cell batteries (alkaline, Ni-Cad, Lithium, rechargeable, etc, but no automobile batteries), oil-based paints and stains, varnish, paint thinner, mineral spirits, metal polish, rust remover, wood strippers and preservatives, furniture polish, waxes, sealants and solvents, bleach, pesticides, insecticides, herbicides, fertilizer, pool chemicals, muriatic acid, sulfuric acid, ammonia, mercury, mercury thermometers and thermostats, gasoline, expired fuel, auto cleaners and flushes, brake and transmission fluid, windshield washer fluid, fire extinguishers, moth balls, flea and tick products, photographic chemicals and other hobby chemicals.
- Anyone who has an item that is not on this list is encouraged to call the county's Waste Management Division at 703-771-5500 to see if the item is accepted or if an alternate disposal option is needed.
- HHW should only be brought to the event location on the scheduled date and event time. Please do not drop off material at any unattended site.
- The limit per household is 15 gallons of liquid HHW (container size not to exceed 5-gallon), and 40 pounds of solid HHW (container size not to exceed 5-gallon).

- Participants should be able to provide proof of Loudoun County residency such as a driver's license or utility bill.

### **What's Not Accepted:**

- Motor oil, antifreeze, automobile batteries, propane tanks, helium tanks, CO2 tanks and cartridges, drywall compound and oil-based space heaters are not accepted at HHW collection events. These materials are accepted at the Loudoun County Solid Waste Management Facility (County landfill), 21101 Evergreen Mills Road, Leesburg. Visit [loudoun.gov/landfill](http://loudoun.gov/landfill) for more information.
- Ammunition, explosives, fireworks, and gun powder are not accepted at the HHW collection events. For information about disposal of these items, contact the [Loudoun County Fire Marshal's Office](http://loudoun.gov/fire) at 703-737-8600.
- Electronics are not accepted at the HHW collection events. Information on how to properly dispose of unwanted electronics is online at [loudoun.gov/electronics](http://loudoun.gov/electronics).
- Medical waste and medications are not accepted at HHW collection events. Disposal information is available at [loudoun.gov/hhw](http://loudoun.gov/hhw).
- Latex or water-based paint is not hazardous and should be taken to the Loudoun County Solid Waste Management Facility (Loudoun County landfill), Monday through Saturday, 8:00 a.m. - 4:00 p.m.; fee applies. Visit [loudoun.gov/landfill](http://loudoun.gov/landfill) for more information.
- Non-residential hazardous waste is not accepted. Businesses and organizations in Loudoun that generate less than 220 pounds of hazardous waste per month are encouraged to visit [loudoun.gov/bhwp](http://loudoun.gov/bhwp) or call 703-771-5500 for information about the county's Business Hazardous Waste Collection Program.

Because of safety concerns related to the handling of various types of hazardous materials, the events feature a drive-through process in which residents are instructed to remain in their vehicles and allow event staff to unload any items accepted for disposal. To ensure

everyone remains in their vehicle while at the point of service, items must not be in sealed or tied plastic bags. Staff are not allowed to open any plastic bag containing HHW.

For more information about the Loudoun County Household Hazardous Waste Program, call 703-771-5500 or visit [loudoun.gov/hhw](http://loudoun.gov/hhw).

## 2022 Household Hazardous Waste Events Schedule

All events are on Saturdays, from 8:30 am - 2:30 pm.
