Willisville Road Closure & Detour (April 11-15)

Closed to Through Traffic for VDOT Pipe Replacement

Sent: April 9, 2022

I want to share with you that **Willisville Road (Route 623) between Millville Road (Route 743) and Bloomfield Road (Route 626) will be closed to through traffic (weather permitting) from Monday, April 11 at 9 am to Friday, April 15 at 7 pm to replace four culvert pipes, according to VDOT.**

As shown in blue on the below graphic, VDOT will detour traffic via Millville Road, Greengarden Road/Airmont Road (Route 719) and Bloomfield Road back to Willisville Road. Drivers are asked to follow posted detour signs.

Those needing to reach properties along Willisville Road will have access; however, **because traffic will not be able to go beyond the point of pipe replacement in either direction, I want to provide this advance notice of the detour so that drivers can plan alternate routes ahead of time.**

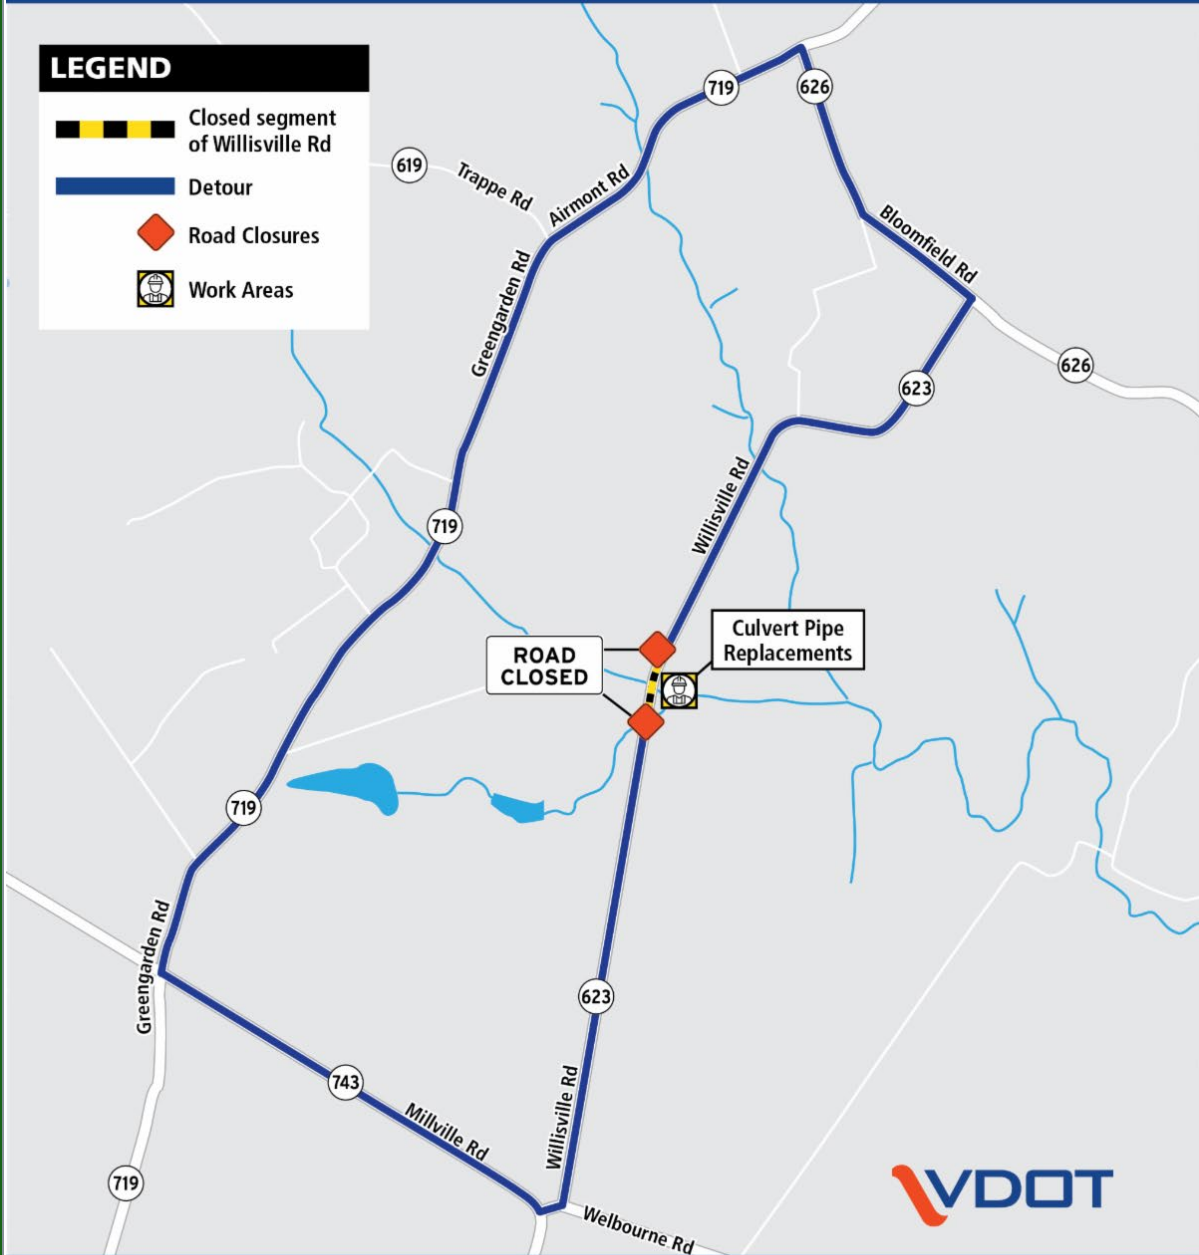

Willisville Road (Rt 623) Closure:

9 a.m. Monday, April 11 through Friday, April 15

LEGEND

- Closed segment of Willisville Rd
- Detour
- Road Closures
- Work Areas

Note: For real-time VDOT traffic, work zone and incident information, visit 511virginia.org, via the free mobile [511Virginia app](#), or by calling 511 in Virginia anywhere anytime.

All our best!
