NEW Lovettsville Community Center Now Open!

Sent: September 2, 2022

On Wednesday of this week, my office attended a ribbon cutting ceremony to celebrate the Grand Opening of the new Lovettsville Community Center!

The new center is located at **57 East Broad Way in**

Lovettsville, on the same property as the existing community center building.

The project constructed a new 18,500 square-foot building as well as an addition and renovation to the existing pool house building.

Features of the new center include a full court gymnasium, fitness room, dedicated seniors area, five classrooms, a kitchen, restrooms and meeting spaces. The pool house renovation includes expansion of the showers and changing areas, first aid area and concessions areas.

The pool house renovations were completed and opened to the public in May 2022.

Now that the new center is open, the existing community center building will be closed and demolished for the construction of a new parking facility.

For information about facility hours, programs and rentals, visit loudoun.gov/prcs or call 540-882-5284

As an FYI, my office continues to work toward development of the future **Western Loudoun Recreation Center (WLRC)**, and to ensure the future facility is located in or near the Towns of Purcellville or Round Hill as this general area is easily accessible from Route 7 and centrally located near the majority of western Loudoun residents. The planned facility is anticipated to include amenities such as a fitness center, multi-purpose rooms, a running track, and an aquatics center. I will continue to keep you informed about the future WLRC as additional updates become available.
