

I am reaching out to commend and give high praise to Officer Ambrose. This weekend my girlfriends and I came to VA for a show. Along the way one of us was lost. I called dispatch, who was very friendly and helpful, and she sent Officer Ambrose to meet us. Once he arrived he was very understanding, very helpful and genuinely concerned. He did what he could do then sent us on our way. He let us know he will continue to work on the situation, hopefully to a positive outcome. Shortly after, I received a call from Officer Ambrose with an update. The news gave us such relief.

Officer Ambrose went above and beyond to help us find resolution. He was upfront, kind, extremely helpful, knowledgeable. Finding ourselves in a tough spot, Officer Ambrose made calls to who ever he needed to help us. He did us such a service, he needs to be applauded.

I am forever grateful for his help and all his mates that contributed.

My 90 year-old mom got into a bit of an accident on Riverside Pkwy and Deputy Pingon was dispatched to her location. Mom said he was so kind and nice, helping her get a tow truck and staying with her throughout the incident. He showed alot of compassion and attentiveness and he deserves kudos for that. I am very appreciative of how he handled the situation with her and am grateful for officers like Deputy Pingon.

I had a ride along as part of the Citizen's Police Academy. I had to honor to ride along with DFC Smith, Badge number 2859. The start of my ride along couldn't have gone any worse. The station didn't know I was coming and didn't have any paperwork notifying them. Luckily I brought with me the ride along schedule that was provided to me. Despite all of this, SGT Wilk was flexible in allowing me to do my ride along. She was super friendly and went out of the way to make sure everything went as planned. My deputy was DFC Smith. He volunteered to take me out as the ride along. I cannot put into words how great of a deputy he is. He took time even on a busy night to explain everything to me. He fielded all of my questions and executed his job flawlessly. I rode for the entire 12 hour shift just because of how much fun and learning I did. The knowledge and expertise is unmatched. I feel safer in my community knowing I have deputies like SGT Wilk and DFC Smith patrolling my area. I hope that both of these deputies are recognized for such a job well done.

I fell victim to a phishing scam and was feeling so gullible, terrible, and overwhelmed. Dispatcher Crowe was calm, provided helpful information on next steps in safeguarding my personal information, and didn't make me feel dumb, or bad for being in that situation (even though I already did). It helped to make my day better. Thank you for your professionalism. It made a difference to me.
