Additional Traffic Calming Approved for Village of Bluemont

Unanimous Approval for Three New Traffic Calming Measures!

Sent: November 16, 2022

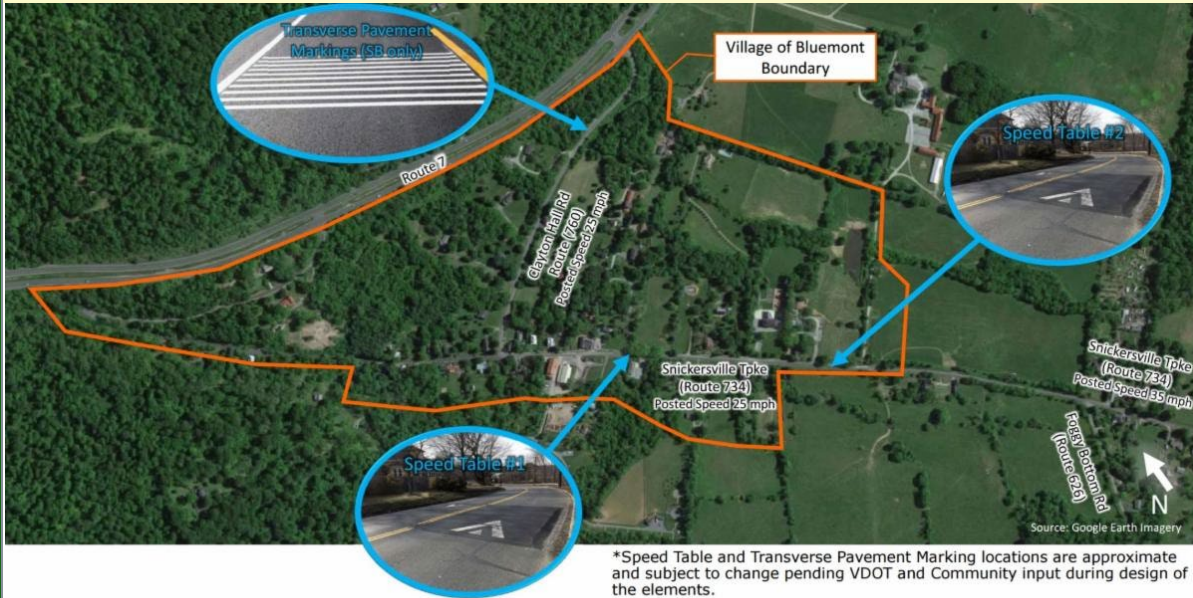

I'm happy to report that at last night's meeting, my colleagues unanimously supported my office's traffic calming initiative for additional traffic and pedestrian safety improvements within the historic Village of Bluemont!

The new improvements include design and construction of **two "Speed Tables"** along Snickersville Turnpike – a roadway recently approved and listed on the National Park Service's, National Register of Historic Places – and **one set of "Transverse Pavement Markings"** along Clayton Hall Road.

Maintenance of these improvements will be split between VDOT, who will maintain the Transverse Pavement Markings, and Loudoun's Department of General Services, who will cover perpetual maintenance of the Speed Tables.

I want to thank the Bluemont Citizens Association, my staff, County staff and VDOT for working together to make this happen!

Loudoun County
VIRGINIA

All our best!
