**LOUDOUN  
COUNTY  
VIRGINIA**

Residents and employers can now provide input on how the county should spend \$7.5 million of the federal American Rescue Plan Act (ARPA) funding it has received.

**TAKE THE SURVEY**

**The survey seeks information regarding five topics:**

- **Business reinvestment and recovery**
- **Child care**
- **Economic development for small businesses**
- **Nonprofit funding**
- **Transportation**

Members of the public are asked to rank three topics in priority order, and then note specific areas within those topics that are most important. Residents can also add other items not already on the list.

Responses to the survey will be presented to the Board of Supervisors as the Board makes decisions regarding the allocation of the remaining ARPA funds.

**The survey can be completed in less than 15 minutes. Responses are anonymous. The survey will remain open through December 23, 2022.**
