All About Algonkian

Juli E. Briskman | Algonkian District Supervisor

Thank you to everyone who attended the Cascades Marketplace Town Hall. We hope you found the presentation and Q & A helpful and informative.

You can find the Willard Retail presentation [here](#).

The public will have at least two opportunities to speak on the application before it goes to a vote before the Board of Supervisors, likely in September or October of this year.

1) At the Planning Commission public hearing in the next couple of months, (likely April, 2023)

2) At a public hearing before the Board of Supervisors with the recommendation from the Planning Commission (date to be determined).

Willard Retail has also committed to hosting another community meeting before the application goes to a vote.

I look forward to working with my constituents, the developer, and the county to ensure the best revitalization for our community.

As always, please feel free to send any questions, comments or feedback to my office at [Rey Cheatham Banks, Chief-of-Staff](#) or [Ethan Gardner, Legislative Aide](#), and check the developer's [site](#) for other updates.

Best,

Juli
