**LOUDOUN COUNTY**  
VIRGINIA

The forum is hosted by the Loudoun County Environmental Commission, which was created by the Board of Supervisors in 2021 to advise the Board on policies and practices dealing with the environment, sustainability and the management of energy.

**The forum will feature information stations to learn about ongoing activities in the areas of energy and the environment and opportunity to provide your comments on:**

- The Loudoun County Energy Strategy
- Energy Equity
- Solar Ordinances
- Tree Protection
- Wildlife Corridors
- Watershed Management

**Listen to presentations on local energy and environmental topics.**

The forum is intended to be an annual event to provide members of the public with the opportunity to learn more about these topics and provide comments on what the county's role should be in regard to energy and environmental sustainability. The public's comments will be shared with the Board of Supervisors during the Environmental Commission's annual update to the Board.
