### **Board of Supervisors Approves Nonprofit Human Service Grant Funding Awards for FY 2024**

The Loudoun County Board of Supervisors approved annual awards for funding to community nonprofit organizations during its April 18, 2023, meeting. Funding opportunities were made available to tax-exempt, private, nonprofit 501(c)3 organizations that provide a wide variety of services to Loudoun County residents. These services include health and human services and related infrastructure of care services, particularly for underserved residents in the areas of need identified and approved by the Board of Supervisors for Fiscal Year 2024 (FY 2024), which begins July 1, 2023.

The areas of need are:

- **Prevention and Self-Sufficiency:** Services focused on assisting individuals and families in becoming and/or remaining independent and stable, and providing tools, skills, strategies and resources to individuals and families.
- **Crisis Intervention and Diversion:** Services provided to individuals and families in crisis to overcome immediate problems, and reduce or prevent the need for more restrictive and expensive higher-level services.
- **Long-Term Support:** Services that focus on assisting individuals who have continuing, long-term support needs to remain healthy, safe and independent in the community.
- **Improved Quality of Human Services:** Services and opportunities provided to individuals, organizations and communities that enhance the quality, accessibility, accountability and coordination of services provided by community organizations.
