Station Detectives

On September 5 2016, Detective Baldwin was assigned an auto theft of a Toyota Prius. The victim had left their wallet in the car and their credit cards were stolen as well. The victim later reported that their credit cards had been used at Walmart and IHOP. Detective Baldwin obtained video from both businesses.

A second auto theft of a Mercedes occurred on October 3rd. A short time later the vehicle was recovered. A receipt was left by the suspect in the vehicle and recovered by Detective Baldwin. Based on the time date stamp on the receipt video was recovered from the business. One of the subjects involved with the theft of the Prius in September was identified in the video.

Detective Baldwin, believing the suspects were juveniles, collaborated with a School Resource Officer (SRO) and was able to identify two of the suspects from the videos she recovered from the three businesses.

Station Detectives

On October 7th, Patrol Deputies responded to an auto theft in progress. The suspect fled and a K9 was requested to attempt a track. The K9 tracked to a tree the suspect had climbed to hide where they were taken into custody. That subject had keys to the Mercedes and Prius in their possession.

Detective Baldwin interviewed the suspect who gave a full confession. All suspects have been identified and charged. The items purchased fraudulently at Walmart with the stolen credit cards were recovered. All the stolen vehicles have been recovered with minimal damage.

Upon searching the cell phones of the charged individuals Detective Baldwin found additional evidence to close out two other larcenies from vehicles from July 24th and August 20th.
