

FLEETWOOD ROAD CLOSED THROUGH AUGUST

Dear Blue Ridge Resident,

I wanted to inform you that Fleetwood Road (Route 616) will be closed to through traffic between Route 50 and Evergreen Mills Road (Route 621) through August to replace the gravel road surface with pavement, according to the Virginia Department of Transportation.

In addition, the ditches will be restored along this stretch of Fleetwood.

In order to accelerate project completion and ensure worker safety, access during the closure is limited to residents within the closure area and emergency responders. Through traffic is being detoured via Route 50, Stone Springs Boulevard (Route 659) and Evergreen Mills Road back to Fleetwood.

The project is being carried out under VDOT's Rural Rustic Road Program, which aims to preserve the traditional feel of a rural road while making surface and other improvements within the current right-of-way.

You can follow VDOT Northern Virginia on Twitter: @vadotnova.

All my best,

Tony
