

Dear Seneca Ridge/Augusta Drive Residents,

We need your input! On Monday, June 20th, Supervisor Volpe and I are having a community meeting with a County-contracted traffic consultant, to discuss the different options for improving the traffic flow and safety in the area. The traffic consultant will be presenting his report and answering questions regarding traffic counts, the data collected and recommendations.

VDOT, Loudoun County Sheriff's Office and Loudoun County staff from the Department of Transportation and Capital Infrastructure will also be on hand to discuss potential improvements to both roads and address any questions or concerns you may have.

Come out and be heard.

The meeting will take place this Monday at 7 pm at the Cascades Library, 21030 Whitfield Pl, Potomac Falls, VA 20165.

For more information, do not hesitate to contact my office. I hope see you there.

Sincerely,

Koran T. Saines
