

Solarize Purcellville Program Offered Until July 31st

Dear Town of Purcellville Resident,

I would like to inform you of a program, Solarize Purcellville, that makes adding solar power to your home easier and more affordable by offering bulk purchasing discounts and free solar site assessments.

Now through July 31, residents within the Town of Purcellville can utilize Solarize Purcellville to learn more about solar power options specific to their homes and take advantage of a streamlined installation and financing process. A complimentary home energy checkup is also being offered as a part of this program.

This is a grassroots, community-based outreach initiative that is sponsored by the Northern Virginia Regional Commission along with the Local Energy Alliance Program (LEAP) working with the Town of Purcellville. You can visit the web site www.solarizepurcellville.org for more information and to sign up.

All my best,

Tony
