

Neighbors,

A friendly reminder to come out to my community meeting this coming Tuesday, August 9th starting at 6 pm at Claude Moore Recreation Center in the multipurpose room (46105 Loudoun Park Ln, Sterling, VA 20164).

I have invited Atlantic Realty Company, the Sterling Plaza owner and developer to provide a presentation on their redevelopment proposal and Todd Hafner from Northern Virginia Regional Park Authority to provide a briefing on the upcoming W&OD crossing project. I've also invited County staff, a representative from VDOT and the Sheriff's Department to provide their input and help answer questions from the public.

Please come out and spread the word about this important community meeting. This is your opportunity to express your thoughts on the Sterling Plaza project, including what you'd like to see there as well as learn about the W&OD changes coming in November. RSVP on our [event site](#) on Facebook and please share with other Sterling residents.

Hope to see you there!

Sincerely,

Koran T. Saines
Sterling District Supervisor

Supervisor Koran T. Saines
Loudoun County Board of Supervisors
