Sterling residents, this coming Monday, December 12 at 7 pm, I am holding a Community Interest Meeting for anyone interested in forming a community garden (or a few) in Sterling. This is an exploratory meeting to gauge community interest and obtain feedback from you. Please come ready with ideas and suggestions for potential sites with usable green space in Sterling, community partnerships, tips for getting started and what kind of garden(s) you'd like to see!

The meeting will be held at the Eastern Loudoun Sheriff's Station at 46620 E Frederick Dr. in the community room from 7:00-8:30 p.m.

Heroin: The Hardest Hit Documentary Screening

On Tuesday, December 13 at 7 p.m., Delegate John Bell is hosting a screening on a powerful documentary called "Heroin: The Hardest Hit." The documentary focuses on the heroin and prescription drug epidemic and its effects on Virginians. In case you aren't aware, opioid addiction is a serious problem in Virginia and has been rising over the last several years. In some places in Virginia, the death toll is up to 20 per 100,000. If you cannot attend on Tuesday, you may also watch the documentary online [here](#).

I encourage you to attend the screening and participate in the film discussion afterwards. The screening will be held at the Brambleton Corner Clubhouse, located at 42255 Palladian Blue Terrace in Ashburn, Tuesday, December 13 from 7:00–9:00 p.m.
