

Final Section of Fleetwood Road to Open Tomorrow (December 16, 2016)

I would like to inform you that the final section of Fleetwood Road re-aligned is scheduled to open tomorrow (weather permitting). This new alignment will provide a new fully paved north/south connection between Route 50 and Evergreen Mills Road.

As part of the re-alignment, existing Langley Oaks Drive will be renamed as Fleetwood Road. The remaining section of the original Fleetwood Road which was not paved as part of the re-alignment will be renamed Sleeping Woods Court and will be closed to thru traffic.

I would like to thank the Willowsford Developer for working with my office and county staff to accelerate completion of this much needed connection!

All my best,

Tony Buffington
