

**GIVE US YOUR VISION FOR THE FUTURE  
OF LOUDOUN COUNTY!**  
(Available Now Through Early January)

Loudoun is in the process of updating its Comprehensive Plan and has just launched a new online tool to make it easier for residents to be heard!

**I encourage anyone who was unable to attend one of the workshops held throughout the county in November and December to take a few minutes to provide their input so that the end result is inclusive of as much residents, business owners and other stakeholders comments as possible.**

The Comprehensive Plan update process called "Envision Loudoun" addresses growth, land use, transportation, community facilities and amenities, economic development, and fiscal management.
