

Loudoun County Seeks Community Input On Transit Services

Between now and March 31st, Members of the public are asked to provide input to the County regarding new or modified bus routes and enhanced services by completing the online survey at www.loudoun.gov/TransitSurvey.

For those wishing to attend a public information session regarding Loudoun's transit system, members of the Transit Advisory Board and the county's transit staff will be available as follows:

- Saturday, February 4 from 10:30 - 11:30 a.m. at Cascades Library (meeting Room A - 21030 Whitfield Place, Potomac Falls)
- Tuesday, February 28 from 7:00 - 8:00 p.m. at Dulles South Multipurpose Center (Banquet Room #3 - 24950 Riding Center Drive, South Riding)
- Wednesday, March 15 from 7:00 - 8:00 p.m. at Loudoun Valley Community Center (Gymnasium - 320 West School Street, Purcellville)

The information collected from the public will be analyzed along with a broad range of factors - including ridership and available funding - to develop plans for future transit services. As part of the county's annual budget process, the Board of Supervisors will consider recommendations for changes to bus routes and services based on the community input and staff analysis. Any changes to bus routes approved by the Board will be announced prior to taking effect on July 1 each year. The current input sessions will inform bus services that begin July 1, 2018.

More information about Loudoun County's transit service is online at www.loudoun.gov/transit. Anyone with questions about the input process or online survey may call 703-771-5665 or send an [email](#).

All my best,

Tony Buffington
