Nominate 'Loudoun County' to win \$20K for our Community Garden Effort this Earth Month

Help get our County nominated for the Meet Me at the Park initiative, which just kicked off for Earth Month this April. If we win, Briar Patch Park, Claude Moore Park and the Sterling Community Center will receive a \$20K grant for the addition of community gardens! Meet Me at the Park was created by The National Recreation and Park Association (NRPA) and The Walt Disney Company, including Disney Citizenship, Disney|ABC Television Group and ESPN, to help revitalize parks across the country.

You could win, too!

When you nominate Loudoun County, you'll be entered into a contest to win a tablet outfitted for the outdoors. The city or county with the most nominations at the end of April will receive the funding.

Parks and community gardens help make our lives better. They inspire healthy living, help protect the environment and bring people together. Support our local parks this Earth Month by visiting them and nominating our county to improve our two parks and community center!

****NOTE:** UNDER SELECT CITY, MUST TYPE IN "LOUDOUN COUNTY" AND NOT STERLING, VA FOR YOUR VOTE TO COUNT!
