

Supervisor Buffington and Supervisor Higgins Sponsor Equine Business Forum

Please join us on April 24th from 7:00 - 9:00 pm, for an Equine Business Forum in the Windmill Carriage House at Morven Park! The purpose of the forum is to highlight Loudoun's vibrant equine industry as it is the largest in all of Virginia, and the largest ag-based industry in the county providing nearly 3,000 jobs and generating more than \$180 million in annual economic impact.

At the Forum, we will discuss future development and needs of the industry, equestrian facilities to include the possibility of a future equine quarantine facility at Dulles Airport, the importance of expanding our trail systems, and more. The panel discussion will feature questions and answers moderated by Supervisor Higgins and I.
