Subject: Williams Gap Road Traffic (Round Hill)

I know my neighbors have already written regarding the traffic on Williams Gap Rd (Rt 711) north of Round Hill. It is truly a blessing to me to have such wonderful neighbors! It is a shame that we "walk in fear" when we travel our narrow gravel road. I can't count the number of times I've gotten splashed standing at my mailbox because folks just couldn't slow down and be courteous. Walking my dog is nearly a thing of the past, as many will not slow down on the narrow sections of road.

I can say, however, that this morning I had a very pleasant conversation with a member of Loudoun's Sheriff's department as he set up to monitor traffic near my house. Thank you for your efforts to encourage the Sheriff to take an interest in our neighborhood.

Officer Alpy assures me there will be a presence on our road at various times during the coming days. He was very concerned for the intersection of Williams Gap and Woodgrove Road, as well. It is a blind intersection on a hill, and again most traffic does not follow the posted speed limit.

Again, Thank you!
