**Explain the circumstances on why you are paying this compliment:\***

I just wanted to give a huge, huge THANK YOU to Officer Spurlock (and to the entire crew) who put on the course at Broad Run High School this week. He's an excellent orator; well paced, stayed on topic, kept the crowd engaged and was very personable. I spent a lot of time in the course with my jaw hanging open (or cringing) and a lot of time thinking 'wow, I did NOT know that?!' Although I always hold our police force in the highest regard, I truly want to give Deputy Spurlock a sincere, \*heartfelt\* thank you! ...Small side note related to a comment made in the course: not \*all\* of us with kids have school resource officers, some of us homeschool. :)

880 Harrison St., S.E.  
Leesburg, VA 20175

Dear Sheriff Chapman,

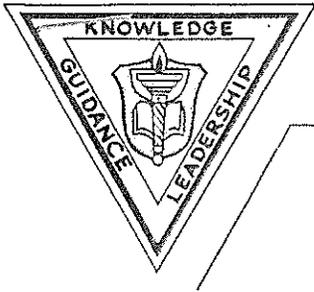

The Town of Purcellville recently worked with the Loudoun County Sheriff's Office to serve a Distress/Seizure Warrant on the assets of a business which closed and owed delinquent meals tax. The taxpayers of the Town and of Loudoun County pay this trust tax in good faith. On behalf of those citizens, I want to commend you and your staff for partnering to provide such a professional level of service. The Town would especially like to recognize Officer Ruby for her timely execution, professionalism and efforts to keep the Town's staff fully informed throughout the process. The Town of Purcellville was able to collect full payment of over \$10,000 in taxes back to the citizens the same day the warrant was served.

Best Regards,

Dear Bob:

I would like to take this time to extend my gratitude and appreciation to Marc Caminiti for all his hard work on the 2013 LCSO Schedule. I contacted you on 10/17/12 and expressed my concern about the court not having the schedule and you immediately re-assigned this enormous task to Marc.

Marc and Jackie Gallman spent many many hours working on this schedule and I got the finished product on Friday November 16, 2012. Someone else was assigned this task and was working on it for 3 months and Marc was able to finish it in 1 month. The communication between myself and Marc was fantastic.

When Marc was given this task, he immediately contacted me and came over to the court to figure out what the courts needs were.

In the end, the schedule is exactly what I wanted. He put it in an excel spreadsheet that separated the traffic and criminal dates which is far more user friendly and so easy to read. Not only did he do this, he and Jackie were able to put it in a "read only" format for my staff and then give me access with a password to be able to update when we receive an email regarding changes to the deputy's dates. In the past, anytime there was a change to the schedule the court would receive a whole new paper schedule, which was so time consuming to update.

Marc and I are already talking about the 2014 schedule and ways to improve upon the 2013 schedule. I am looking forward to working with Marc in the future.

Thanking you again for your attention to this matter.

Greetings,  
I just wanted to let you know that Officer Orr and Buddy are fantastic! The kids were talking about them after they left and today as well (even while they were cooking french toast). Each January we have a food, toy and blanket drive for the Loudoun Animal Shelter; this year we will dedicate the items in the name of Officer Orr and Buddy.

Thanks for arranging such a wonderful experience for these students (we hope to see you next year).

Sincerely

Dear Sheriff Chapman,

I would like to take this opportunity to express my sincere appreciation to Detective Rob Reed who put on a presentation for the Organized Crime and Corruption (ADJ216) offered through the Northern Virginia Community College, Manassas Campus. His presentation on Gangs was one of the best presentations I have seen to date on this subject matter. The students spoke very highly of the overall experience and noted their appreciation in the course evaluation.

Detective Reed represented Loudoun County Sheriff's in a professional manner. He was informative on the subject matter and held in high esteem by the students.

Detective Reed did an outstanding job.

My thanks and appreciation!

Officer Alpy,

I was pulled over by you, on my way to work a few weeks ago. You asked where I was going and I said that I was a teacher at River Bend Middle School. You shared with me that you had been a resource officer at RB. Then you went on to tell me your opinion regarding teachers, their impact on our country and how your life was changed by a teacher.

I am emailing you to say thank you! You blessed me that morning with your testimony. I arrived at school and everyone thought I would be upset because of the ticket. They were surprised when I shared how I was blessed by being pulled over. I shared your testimony and in-turn, they were blessed also.

---

I so wanted to let you know how many people you touched that day but did not know how to contact you. I was telling the story to a friend and she said that I could email you by plugging in your name. So, I am hoping this reaches you. May you be blessed as we have been!

Karen,

This was an assist rescue call that Lt. Bruce Domin was a part of on 11-1-12 in Leesburg. He was very observant while on patrol and acted in a situation where the citizen was quite panic stricken. His actions and the resulting positive image of the Sheriff's Office was noted by this citizen as she relayed her appreciation to her family and friends. Her child is doing well after a very scary experience. I wanted to make the Sheriff aware of the citizens comments about the LCSO and Lt. Domin, specifically..

I checked Master Name but could not locate her. I only have the email address listed below.

Thanks,

Greg

Dear Lieutenant Domin,

I was the woman with the little baby that you ran across yesterday while I was crossing the street in front of the Leesburg United Methodist Church. I wanted to say hi and thank you for your being in the right place at the right time! :) Your observation of my state of panic (I must have looked a wreck!), your action in turning around to check on us and your help with calming me down and contacting emergency services was greatly appreciated!

My family and I really appreciate all of the help we received yesterday and I am grateful for your observation, quick response and kindness. Thank you again - for what you did yesterday and to you and your colleagues/staff of the Sheriff's Department for all that you do on a daily basis to help and serve our community and the county!

Sincerely,

Officer Diaz arrived right after the accident in which I was involved. I have NEVER interacted with a law enforcement official that was as professional as helpful as Officer Diaz. He could have not been more responsive to both parties involved in this incident.

Indeed, I was glad that my son got to interact with a true role model. Law enforcement are the unsung heroes of our communities, as our men and women in military uniform. Officer Diaz exemplifies everything that is good about Loudoun County, our state; our country. Please pass on my profound gratitude and admiration to Officer Diaz.
