Dear Chief Panebianco:

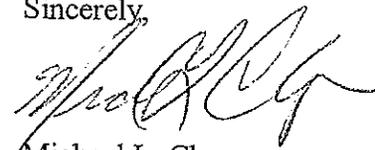

On behalf of the men and women of the Loudoun County Sheriff's Office, I appreciate your kind words complimenting our staff on the support your office received at the Annual Christmas Parade. I, too, understand the significance of being the "new guy on the block" when new ideas could potentially be received with apprehension. However, I am pleased that your innovation and our collaborative efforts proved to be successful.

I am very proud of this department and it is through remarks such as yours that I am able to measure the professionalism and performance of members of this agency.

I will ensure that each member and their supervisor receive a copy of your letter. A copy will also be placed in their personnel file.

Please do not hesitate to call if I or any member of my staff can be of assistance to you in the future.

Sincerely,

Michael L. Chapman

This program is sponsored by the Dulles-Loudoun Fraternal Order of Police (FOP) #69 and approximately \$20,000 was collected from multiple fundraising events. Several families in our community are in need of assistance during the holiday season and your time and generosity have enabled many to have a much brighter holiday this year.

You exhibited professionalism and compassion and I, along with the children, certainly appreciated your efforts.

Again, many thanks and I hope you and your family have a joyous holiday.

Incident: 12/01/2012

Time of Incident: 1:00PM

Explain the circumstances on why you are paying this compliment: Deputy Macomber responded to a call I placed that day about my canoe being stolen from a rack underneath the deck in my backyard. When I informed him that my wife and I were in the beginning of a separation, he was honest with his assessment of the situation but had empathy for the position I was in. When the whereabouts of the canoe was discovered that Saturday evening and the information passed to Deputy Macomber via email, he responded promptly the next morning with a message that he will follow up that day. Deputy Macomber provided me updates during the day and ultimately a conclusion by the evening. In the end it turned out that my wife sold my canoe to a reseller based out of Leesburg while I was at work. I'd like to extend my thanks to Deputy Macomber for his diligence and professionalism. While a missing canoe is a minor thing when compared to the public safety concerns requiring the Sheriff Department's daily attention, it's a big thing in my sons' (ages 7 & 9) world. They liked that canoe and are looking forward to catching some monster bass and catfish from it next year (yeah, bought it back).

Dear Sheriff Chapman,

I would like to thank you and all your personnel that participated in the 31<sup>st</sup> Citizens Police Academy. I found the class to be very informative and interesting and I thoroughly enjoyed being a part of it. I was most impressed with your staff that took time to teach us what their part is in your organization and how things worked, as well as the equipment that was displayed for our benefit. I was overwhelmed with the effort that your office made to bring all that to our attention. It was truly impressive, not only the equipment itself, but everyone that is involved in utilizing it.

I also want to thank you for providing the Ride-Along-Program, it was a great way to really see how things work. I would like to thank Michael Beatty for his courteous and professional manner and for being patient enough to teach me some of the ins and outs of his position. It was a great way to finish the class and have a better understanding of what your office does for our county. Thank you so very much.

Sincerely,
