

## **Remaining Section of Creighton Road From Madison's Trust To Evergreen Mills Road To Open Tomorrow Afternoon (6/28/17)**

I wanted to let you know that the remaining section of Creighton Rd, from Madison's Trust Elementary to Evergreen Mills Rd will open tomorrow afternoon. Completion of this much needed section will provide a new direct link from Brambleton to Rt 50 and should offer some relief to the Belmont Ridge/Evergreen Mills intersection until September when the remaining section of Loudoun County Pkwy is scheduled to connect to Rt 606 which will provide considerable relief to the Belmont Ridge/Evergreen Mills intersection.

Please know that my office continues to work with applicable developers, county staff and VDOT towards construction of traffic signals at the intersections of Northstar & Creighton, Evergreen Mills & Creighton, and Rt 50 & Fleetwood. At my request, Signal Warrant Studies were completed for all three of these intersections and I'm happy to report that all have now received VDOT approval for signals. As such, I'm working with applicable developers, county staff and VDOT to accelerate construction of these signals. I will keep you informed of progress continues.

Many thanks to the Brambleton Developer for working with my office, county staff and VDOT to get this road constructed and opened as soon as possible!
