

## **Alder School Road Notice to Proceed with Paving Issued**

This project paves Alder School Rd from Woodgrove Rd to Hillsboro Rd. The project had experienced delay due to utility relocation and additional scope of work issues; however, last quarter I was able to secure the necessary \$345,000 to get the project moving again.

I wanted to let you know that the notice to proceed with paving has been issued to General Excavation, Inc. who will soon be fully mobilized with an anticipated project completion date of Spring 2019.

Please feel free to contact my office should you have any questions.

All my best,

Tony Buffington
