

Watson & Evergreen Mills Rd (EMR) Safety Audit - Approved!

And...

Right Turn Lane (EMR onto Stone Springs) - Approved!

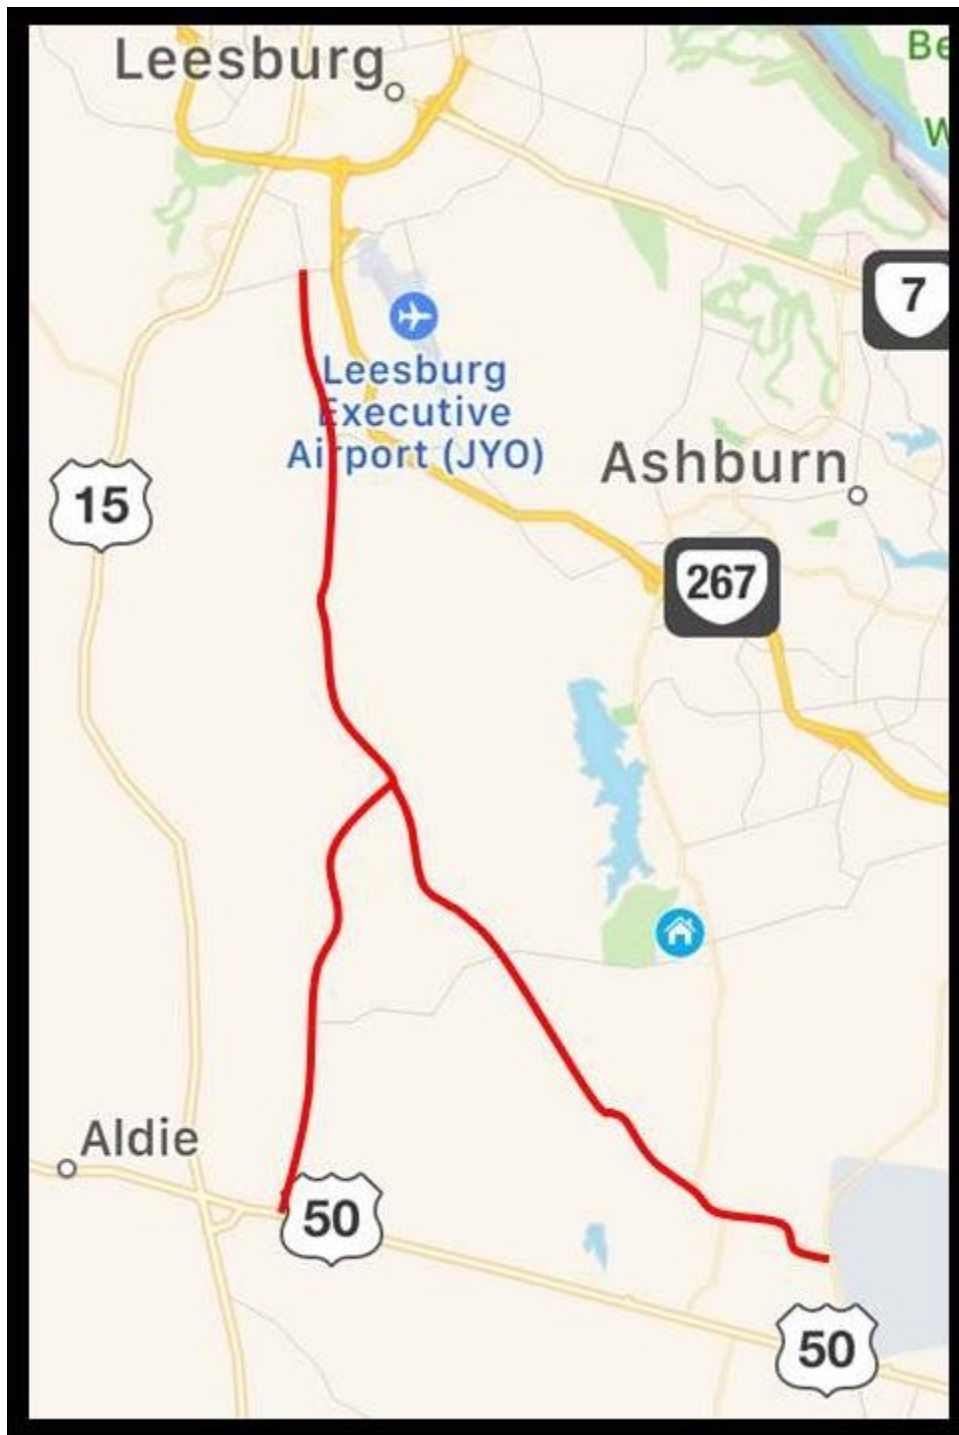

December 8, 2017

I'm thrilled to announce that two of my Board Member Initiatives (BMI) to improve safety and reduce traffic congestion on both Evergreen Mills Road and Watson Road were approved by the Board at Tuesday night's Business Meeting!

Safety Audit for Evergreen Mills Road & Watson Rd (BMI - Buffington & Higgins):

The Board's unanimous approval of this item funded \$912,506 for a Road Safety Audit of Evergreen Mills Road and Watson Road. It also funded \$100,000 for the installation of six Pole Mounted Speed Display signs. While this BMI was initiated by myself and Supervisor Higgins, I would like to thank Chair Randall for her assistance as well.

Improvements to EMR & Stone Springs Blvd Intersection (BMI - Buffington):

The Board's unanimous approval of this item funded \$1,400,000 for the design and construction of a dedicated right-turn lane from eastbound Evergreen Mills Road onto southbound Stone Springs Boulevard in order to help alleviate traffic congestion at the existing intersection.
