

Traffic Calming Measures Unanimously Approved for the Winsbury HOA!

March 23, 2018

I am happy to report that after a many months of working to excessive speeds along Stone Springs Boulevard between the east and west portions of the Winsbury community, the Board of Supervisors voted unanimously last night to authorize use of \$17,000 for the installation of two Pole Mounted Speed Display signs on Stone Springs Boulevard near the north and south sides of Winsbury.

It is my hope that these measures will result in increased safety and reduced speeds in the vicinity of Winsbury along Stone Springs Boulevard. I would like to thank

County staff and the Winsbury HOA for the many hours spent coordinating with my office and VDOT in order to make this happen.

All my best,
