Dear Sheriff Chapman,

On Saturday March 22, 2014, an incident occurred at Dulles Town Center which was initially reported as a shooting. During the incident, our security officers found themselves in an extraordinary situation outside their normal daily duties.

Although the situation was found to be a false alarm, our security officers communicated they were able to perform the necessary actions, in part, due to the additional joint training which took place on February 27, 2014. This training exercise involved Dulles Town Center Security and Loudoun County Sheriff's Office DTC Mall Unit Deputies. Capt. Allen Gabrielli coordinated the training scenarios, assisted by Lt. Christopher Hines and Sgt. J. Davis as well as on duty Sheriff's Dispatchers. During this training exercise, members of our Security Staff and LCSO worked on communications training, locating and tracking simulated suspicious subjects in the building. During the March 22nd incident, the training was actually put to the test in a potentially real life situation.

Dulles Town Center Mall Management and Security staff greatly appreciate the hard work and training assistance that Capt. Gabrielli, Lt. Hines and your staff provided. We realize without the partnership Capt. Gabrielli has worked so hard to build, our efforts in serving the public would not have been as effective as they were on March 22nd.

Should you have any questions, please do not hesitate to contact us at 703.404.7100.

Respectfully,

Kevin W. Carter
Security Director

The process was a great success and the efforts of Captain Brown were instrumental in achieving a successful outcome. Dear Sheriff Chapman,

We had the pleasure of Deputy Ron Colantonio's presence last week for the Emergency Preparedness Seminars in our English as a second language program here at Reston Bible Church. Once a year we put on a set of seminars for the benefit of our students who have a great deal of difficulty navigating life here in this culture. If we can provide our students with pertinent information and understanding, they will better be able to function as responsible citizens.

Deputy Colantonio was exceptional firstly as he requested that students submit their questions to him beforehand so that he knew how to address their specific needs. He spoke clearly, simply and slowly, showing great sensitivity to our students' linguistic limitations. He was thorough in answering questions and providing appropriate information about procedures to follow in situations such as traffic accidents, domestic abuse and when to call 911.

Because of Deputy Colantonio's kind and caring demeanor, our internationals gained the understanding that he and other law enforcement officers like him could be trusted in emergency situations. This, alone, was worth his visit to our classrooms. For this we are extremely grateful.

Sincerely yours,

Susan Morinaga

Deputy Martynowicz responded to an online traffic complaint that I submitted regarding dangerous traffic maneuvers by parents during drop off hours at the school. Deputy Martynowicz was the utmost professional, and most of all...NO ATTITUDE! She had the most pleasant personality and assured me that she was personally going to handle the issue with the school. She offered me her card and said I could contact her either my email or phone if I needed to. This is what
