Dear Mr. Chapman,

I wanted to send a note to recognize Deputy Galvan.

This was my first interaction with the Loudoun County Sheriff Office and it was a great experience.

My contractor had run away with some money, Deputy Galvan spent a lot of time with me explaining the situation, why it was a borderline criminal matter, his reasoning and everything in detail.

I must say that I am very very happy with the experience! :)

Thank you,

I wanted to say thank you to officer R.N Hamilton. I hit a deer today on rt 7 today around 430 in the middle of rush hour traffic. Your office moved the deer to the side of the road. He made sure I was ok and that my car was safe to drive. He didn't seem like it was a bother. He was very nice and helpful.

Subject: Gun safety classes

Major Fraga,

A couple of weeks ago I reached out to you for help in instructing the students at St. Theresa School in weapons safety (gun safety). You put me in touch with our D.A.R.E. instructor Sgt. Jenny McGinn. I want to tell you how absolutely wonderful she has been in helping me. She is so enthusiastic about this project. She has taken over the full instruction for me. Sgt. McGinn is giving us multiple days where she has set aside the entire day to go classroom by classroom providing specialized instruction to each grade. Today was her first day and she instructed both kindergarten class and 1st grade classes. Each one of those 4 classes has about 30 students each. Our teachers, as well as our Principle Carol Krichbaum and myself, are so excited about her program and willingness to do this for our students. Today I heard only praises about her instruction from the teachers.

I just wanted to let you know how very grateful I am to you, Sgt. McGinn, and the entire Loudoun County Sherriff's office for the excellent community service you are providing to us. I feel fortunate to be part of a community that is so willing and able to give us this assistance.

I am so very hopeful that St. Theresa students will remember the important message Sgt. McGinn is giving them, and that our community will see a decrease in the tragedies that occur from people not having a healthy respect for firearms.

I have the deepest respect for all of you at the Sherriff's office. For all the long hours, holidays spent working and family celebrations that you miss just to keep our community safe. Thank you.

Dear Sgt Nugent,

It has been brought to my attention that your department is receiving numerous complaints regarding patrols inside the gates from some residents residing in the River Creek community. As the mother of the child that was almost hit a couple weeks ago, I can not express my appreciation enough for your support and due diligence to an ongoing safety issue in our neighborhood.

I am so disappointed and appalled by the negative comments of some of my neighbors. I'm not sure how they think they can support their actions. We are not above the law inside these gates. There is a sense of entitlement at times around here that is so unjustified.

I do hope you will continue your efforts to patrol and make River Creek a safer place to live. There are a majority of us that are willing to openly speak out in your defense.

Thank you,

Dear Lt. Hines,

Thank you for allowing me to join your meeting last week. It was a great experience for me. I was surprised when you let me ask so many questions and even introduced me to all these people that was really cool! I also learned more about our community than I ever knew before and how many more crimes that are going on than I ever realized. It's a good thing you help stop crimes so they don't happen as much!

I also really like and appreciate the coin and patch you gave me, they're in a special box in my room. I was also wondering if I could come by and get a picture with you since I didn't the other night.

Thank you again for helping me with my merit badge. It was really thoughtful of you.
