Hello, I was involved in an MVA, Saturday, 1-21-17 in Ashburn and would like to thank Deputy Costic for his assistance and for personally checking in on me at the Ashburn Healthplex ER. He was a doll and seemed genuinely concerned and I appreciate his kindness. Thank you for all that you do.

**Incident Information**

**Please enter the deputy(s) / employee(s) names:** Deputy M. Porpilia

**Incident Location:** Route 7

**Date of Incident:** 11/24/16

**Time of Incident:** after midnight

**Explain the circumstances on why you are paying this compliment:**

Just as Thanksgiving began I was hit on Route 7 Bypass near Purcellville VA by a hit & run driver who was later apprehended. Deputy M. Porpilia was assigned to my case and has represented LCSO with amazing professionalism, compassion and knowledge. His exemplary service to my case has gone well above my expectation. Throughout the ongoing case, he has continued to provided updates, answer questions and offer his time to assist anyway I might need as the case moves forward. He has gone out of his way to not only ensure I was updated throughout this process but has followed up to see how both myself and my daughter are doing with the injuries sustained during the accident. It is wonderful to see such positive roll model for law enforcement when the negativity can sometimes overshadow the substantial positive activities of the individuals who put their lives on the line in service to the citizens of the county and state.

**Explain the circumstances on why you are paying this compliment:**

Discovered a Naked man on my porch at 10:30 pm before going to bed. Pill bottles by his side. Called the sheriffs office and they sent out many Deputies to help my family and I. My front door was open at the time when I discovered the naked man and we are so lucky they he did not try and enter our house. I have two boys and there friends were over at the time and they were pretty upset of what happen. After they arrested the man and most of the Deputies left, three deputies stay behind and made sure my family was ok. As we were waiting for the tow truck to come and remove the man's car from my woods Deputy Johnson and another Deputy who I did not get his name talked with my boys and their friends and made them feel so much better. So I feel they went up and beyond the call of duty to make sure my family felt safe and secure. They did not have to spend so much time with them and I am happy that they did. My boys sleep great that night because of the extra time they gave, Thanks so much for all you do for us here in Loudoun County.

The two deputies T.P Aly and Pao P. came back to my house to verify the car was registered out of state. They took the time to explain why they issued the citations and once they saw the paperwork displayed took the tickets back. I appreciate the time that they took to suggest solutions on how to display it to prevent other incidents from arising. The two deputies represented Loudoun County in very positive light and reflected professionalism and what community policing is all about. I really hope you do relay to them both that we appreciate all their help in this situation.

I had send a question in through the website, Lt, Earley called, clarified, made referrals and as such I wish to commend this Lt for the way he handled my concern today. Courteous and friendly with a deep level of professionalism which some think may be rare nowadays, but not in my Ashburn/Loudoun. Individuals like these are assets to our county and to your organization and is part of the reason I respect police and our service men/women so much. Thank you

**Explain the circumstances on why you are paying this compliment:** Once again, 6 years later, we are remembering & complimenting this Loudon County officer for the professionalism in securing the scene of a traffic accident & sensitivity in calming down our type 1 diabetic teenager who was so disappointed & distraught with having her first accident that she could have easily ended up in hospital. Fortunately no one was hurt in the accident. However, during this 'Law Enforcement Appreciation Week' & this time of needed appreciation of all such officers. We REMEMBER him. He is always in our prayers & will continue to be.

### Incident Information

Please enter the deputy(s) / employee(s) names: James Lim

Incident Location: [REDACTED]

Date of Incident: January 3 2017

Time of Incident: 6:30 pm

**Explain the circumstances on why you are paying this compliment:**

Deputy Lim responded to our house after someone shattered our storm door with a marble and probably a slingshot. He was very professional in his interaction with our family and took a minute to talk to our 5 year old daughter who was scared because of the incident. She had a big smile on her face when he left. In an age when law enforcement is facing increasing violence and unwarranted criticism simply for doing what society has asked of them, I just wanted to thank Deputy Lim and the LCSO for serving the citizens of Loudoun County.
