10 January 2018

Major Fiano,

On the occasion of Detective Patrick Beaver's departure from the Loudoun County Sheriff's Office, I am writing to thank you for the exceptional support that Pat provided my agents in fighting the scourge of child exploitation over many years. Pat has been a faithful professional who was always available for consultation and action when exigencies arose. As with any joint law enforcement matter requiring timely action, the ability to respond says a lot about an officer's sense of duty. Pat's commitment has been self-evident. His contributions will not be forgotten.

I have communicated my thanks to Pat separate from this letter, but it is fitting to thank you for making your resources available to us. I anticipate that there will be other occasions.

Thanks so much,

Eric Beatty

I would just like to send a thank you for teaching and providing the DARE program at my daughters school. With the war on drugs and the horrible heroin epidemic, I applaud your efforts. My daughter has learned so much this year. Deputy Kamps seems to really have reached her calling and I hope her teachings last with all of these children. Thank you again for your service.

Sheriff Michael L. Chapman  
Loudoun County Sheriff's Office  
P.O. Box 7200  
Leesburg, VA 20177

Dear Sheriff Chapman:

On 16 December 2017, William Luther McDonnell went hunting and was reported overdue by his family. He was hunting in the Laurel Run Rd., Edinburg, VA area. The next day, ninety two year old William was later located in the general area of the Laurel Run Rd., Edinburg, VA.

Search and Rescue support services were used from various parts of the Commonwealth of Virginia. At one point, there were several agencies who assisted in the search from volunteer and governmental organizations.

I am extremely grateful for the search team members, equipment, and drone during this search operation. On behalf of the citizens of Shenandoah County Sheriff's Office, thank you for your assistance. Knowing that I can call upon you and your organization during critical incidents is very reassuring to me and families with loved ones in need. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Tim".

### Incident Information

Please enter the deputy(s) / employee(s) names: Sergeant Howard Craig #9731

Incident Location: Not Sure, Think it was Purcellville

Date of Incident: Think it was Friday, 12/29/17

Time of Incident: Around 7:30 P

Explain the circumstances on why you are paying this compliment:

Sergeant Craig was extremely helpful to me, a newcomer, in my state of anxiety over being completely lost. I was coming from Frederick and headed for Lovettsville, when I obviously made a wrong turn on W15 (not clear) and I found myself back in Leesburg where I had come from. I pulled off to a side road to get my GPS course corrected, when I saw Sergeant Craig's "blue bubble" flashing in my rear window. What a relief!! I was totally lost, upset, scared, and crying by the time Sergeant Craig arrived. He then proceeded to ask me all the appropriate questions, if I'd been drinking or taken illegal drugs, etc., and said he had been following me for 15 minutes, watching me slow down and start up again, my car swerving at times ( I was trying to read signs on the highway). I gave him my new Virginia driver's license and my Florida license after which he calmed me down and gave me directions to Lovettsville, but seeing that I was still somewhat disoriented, he suggested that I follow him. Once we got to Harris Teeters shopping center, I flashed him to turn in there, that I was quite familiar with that area and knew how to get home from there. I finally felt relieved and was so grateful to Sergeant Craig for his kindness and professionalism and to know we have such qualified and caring persons in our Loudoun County Sheriff's Office. Thank you again Sergeant Howard Craig for being here for me.. .

Loudoun County Sheriff's Office  
P.O. Box 7200  
Leesburg, VA 20177-7200

Dear Sheriff Chapman,

This letter is long overdue. Last year your Deputy, Jason Leydig was managing traffic for a run held in the Lucketts area.

I was building a home for my daughter and son-in-law on Lucketts Road, and trying to get my plumber to the building site.

Dputy Leydig was very understanding and helpful in allowing us to get to the site. But beyond that, as we were waiting for some runners to pass, he struck up a conversation with the plumber who's teenage son was accompanying his father on the job that day.

The father voiced concern about his son not wanting to continue in school, and Deputy Jason, sat down for a one on one with the son, talking and encouraging him and giving some good examples of the importance of school and continued education. As a bystander, I was impressed with the officers genuine interest and concern, and encouraging words to the teenager.

So in a special way that day, Deputy Jason went above and beyond, and made a difference in a young teenager's day, and hopefully his future!

Thank you for all you and your team does to make Loudon County a safe and desirable place to live.

All the best,

### Incident Information

Please enter the deputy(s) / employee(s) names: D.Lake #2117

Incident Location: Old Carolina Rd./ Route 15

Date of Incident: 12/29/17

Time of Incident: 10:00 am

Explain the circumstances on why you are paying this compliment:

My brand new pickup which I've only had for a few weeks was involved in a front-end collision with another vehicle. I tried not to show how distraught I was about the whole situation, but looking back I believe that Inspector Lake realized my state of mind and tried to comfort me and engage me in friendly conversation to take my mind off of the condition of my new truck. I also had a contentious situation with the wrecker driver and Deputy Lake voluntarily arbitrated the situation so that the outcome was pleasing to both parties. There were two other deputies present as well and they were great too, but I feel that Deputy Lake made it a priority to professionally execute his duties while still showing compassion for ALL parties involved. In closing, I'd like to say that although I am not a Loudoun County resident, over the years I've had three occasions where I have dealt with the LCSD and every time it has ended with me having a feeling of respect and appreciation for the department.
