Deputy Smith

Incident Location:*

Sterling

Explain the circumstances on why you are paying this compliment:*

Deputy Smith gave me the information I needed to file a lost item report with the department. I would have probably not followed up on the event without his call. The area on the website for reporting lost items is in the crime section where I wouldn't have looked since the event wasn't a crime. Thank you Deputy Smith for the help.

I think the officers were from the Dulles South Station.

Incident Location:*

Riding Center Drive

Explain the circumstances on why you are paying this compliment:*

Thank you for your prompt response to my complaint and my neighbors complaints about speeding on Riding Center Drive in South Riding. Your department brought a speed sign to the street for two weeks and I saw deputies with radar at multiple locations on multiple days on Riding Center Drive. I really appreciate your rapid response. I know your department is very busy so thank you for taking the time to help us.

Deputy Sullivan responded to 210 North Lincoln Street in reference to a request made by myself, Officer E.R. Martin with the Leesburg Police Department. I was investigating a case in which a cell phone was stolen from the Walmart here in Leesburg. Deputy Sullivan was able to retrieve the phone from the suspect with very minimal suspect information available. I feel this is a true indication that Deputy Sullivan is very proficient with his job and provides a high level of service in the law enforcement field. His fast response and positive results allowed the case to be cleared in a very minimal amount of time.

Hello Major Tate,

After the conclusion of my internship with the Sheriff's Office I wanted to thank you for being my initial point of contact for the program and so quickly referring me to Captain Shaw. Captain Shaw was extremely helpful in working with me to resolve some potential scheduling issues that arose with American University and remained in contact with me throughout the application process.

This experience has done much to strengthen my desire to seek a career in local law enforcement upon my graduation from college. Throughout the internship program I was treated with nothing but respect and professionalism, and I thoroughly enjoyed learning about the inner workings of the Sheriff's Office. I hope all is well with you and look forward to seeing you at some future time.

Dear Captain Parks:

I want to thank you and Investigator Beach for taking the time and meeting with Lt. Mark Lahman of our Honor Guard Team. As I am sure you are aware we have been attempting to form our first ever Honor Guard here. With that being said we have been starting from the ground up and we are slowly getting there.

I also wanted to thank you for allowing us to use some of the gear you are currently not using so we can practice, attend an upcoming training, and attend a few events.

We appreciate your department's generosity and the personal time you and Investigator Beach have taken. We will certain take good care of the items while we have them.

As a small token of thanks I have enclosed an Honor Guard patch for you and Investigator Beach. Thanks again it is always nice to have law enforcement working together.

Sincerely,

Lt. Pratt,

I wanted to take a moment to express my appreciation for our Auxiliary Unit. It is often overlooked by many the "behind the scenes" task they assist us with to get some of our jobs done. As of late with all the weather we have had and special events it is apparent that these folks are definitely a needed asset to make us a successful agency.

I would also like to recognize and say a Special Thank You to Robert Orsino (aux 19) for his assistance to me in the last few months. It seems like every time I turn around or a request is made for an auxiliary to respond I hear or see auxiliary 19. Robert works hard and is very helpful on scene and always is eager to help out.

I don't know if there is anything we can do other than say thanks to these folks but if there is some type of special recognition Robert would most definitely be a candidate for that recognition.

Any questions please feel free to contact me.

Dear Sergeant Murphy,

I appreciate your assistance with the Arlington County Sheriff's Office Deputy Sheriff Sergeant Assessment Center conducted May 12 through May 16, 2014. Your contribution was an extremely important function of our process requiring both your expertise and your valuable time.

Especially noteworthy was the fact that you were able to return for a make-up ratings session on June 4 on short notice. This ensured that our Assessment Center remained fair for a candidate that was unable to participate in the original process, and you provided a tremendous service to our agency.

Additionally, your diligence and your willingness to be flexible contributed immensely to the success of the Assessment Center. We are aware of the burden placed on both you and your agency, and you are to be commended for unselfishly giving of your time to assist us.

I have heard nothing but positive remarks about this Assessment Center, and I want to personally thank both you and your agency for your unwavering support.

Sincerely,

Dear Sheriff Chapman,

I am very pleased to inform you that Deputy Ethan A. Martin, of your department, has been selected to participate in the 87th Session of the Virginia Forensic Science Academy. The Academy will be held at the Forensic Training Section's location at 737 N. 5th Street, Richmond, Virginia on February 9, 2015 – April 10, 2015. Notification will be sent in advance if there is a change in these dates for the spring Academy session.

Each student attending the Academy was chosen on the basis of their interest in the betterment of law enforcement through forensic science and their agency's need to have them trained in this area. You should feel proud of Deputy Martin being selected in competition with other officers throughout the Commonwealth of Virginia.

Deputy Martin will be notified of his acceptance into the Academy. Due to the Commonwealth budget reductions for the Department of Forensic Science, we will no longer be paying the costs of student lodging while they attend training. This and all other travel expenses will now be the responsibility of the student or their sponsoring agency. Enclosed with this letter is information regarding room rates being offered by the Candlewood Suites – Richmond West. Correspondence with additional information on the course will be sent to each individual closer to the date of the session.

If for any reason, he is unable to attend, please contact the Forensic Training Section at 804-786-6936 as soon as possible. Thank you for your continued support of the Academy and the Department of Forensic Science.

Sincerely yours,

CPA program allowed to experience a remarkable look at first hand the shift duties of a field officer. Deputy J. Santos was professional, patient, and cooperative in explaining his duties and that of a deputy. Answered all the questions I had and interpreted difficult situations to better understand on a civilian level. Emir Belkin did a excellent job in handling all aspects of organizing the entire 11 week coarse. His planning, executing and presenting the weekly meetings were superb. Thank you Emir for handling every student in their own special way. I highly recommend the CPA coarse and more do the ride along.

Explain the circumstances on why you are paying this compliment:*
I attended the Citizens Police Academy with the Sheriff's Office and participated in the ride-along with Deputy Tim Iversen. He was absolutely wonderful! I spent the entire 12 hour shift with him and he was so very informative, nice, knowledgeable, and caring! He was fabulous with explaining all of the procedures and stops he made while patrolling eastern Loudoun all night. He was extremely polite and respectful to all people we came in contact with all night. We backed up Deputy Jeff Martin who was equally as wonderful! The entire experience of the academy and ride-along was a complete eye opener for me on all that is involved with the Sheriff's Office and patrolling! It was mentally (having to know all the rules, laws, procedures, and so much more) and

physically (me trying to stay awake for a 12 hour night shift) exhausting to do the ride-along and I did nothing but observe. I have so much respect for all of the deputies who do this day in and day out! Thank you for this wonderful experience!

My car had broken down/overheated 01 red ford focus, within minutes of me pulling over onto the shoulder I had 3 different officers (I am sorry I didn't get there names) pull up and confirm I was OK and that a tow was in route. I have traveling this route for almost 20 years and I am sure you have heard it before "where is an officer now to see what is going on"when indeed I was in possible need of assistance I had 3 Sheriffs stop and check on me and assure me "they would make sure I was followed up on" by all three of them. I want to thank them all and appreciate that they had concern for my well being!!!!

Major E. Noble,

6/7/14

I wanted to complement you and the Sheriff on Deputy M. Santos (2845) at the ADC. Deputy Santos has been asked numerous times to help victims that come to the Magistrates Office. Many times there are victims that come into our office for help, to charge someone, or to get Protective Orders etc. Most times there are no Spanish speaking road deputies that are available to help the victims fill in paperwork. The personal interaction with a deputy at these times is a comfort to victims and sometimes gleans an insight that we cannot get with a translator over the phone. Dep. Santos is one of the few Deputies at the ADC that speaks Spanish. Her language skills and "people skills", the way she treats victims (and defendants) is invaluable. Deputy Santos really explains the process and makes sure the people leave with a full understanding of what is going on and what is to come. Her presence is calming to victims and they open up more. Today she noticed a victim in physical distress and had the ADC nurse check the person's vitals etc. She exemplifies the "serving" part of what a law enforcement officer should do. We here at the Magistrate's Office appreciate all her help. She is an example deputies should follow and a credit to the Sheriff's Office.

Dear Sheriff ^{Mike,} Chapman:

I am writing to thank you for your department's assistance during National Police Week for which you provided SWAT operators to work alongside our Special Operations Team.

SWAT teams from Arlington County, Fairfax County, Loudoun County, Prince William County and Virginia State Police joined Alexandria in providing security for this event. The presence of these officers ensured an immediate response to any threats and also proved to be a welcomed interaction by survivor's friends and families.

The coordination by our SWAT operators ensured a safe week for those in attendance and allowed them to become familiar with each other's skills and abilities. This will prove valuable in future events that bring these special resources together in order to resolve a critical incident.

Again, thank you for your support and if we can ever be of assistance to you or your department, please do not hesitate to call me.

Sincerely,

Earl L. Cook
