I had the pleasure of doing a ride along yesterday with Master Deputy Mike Hall of the University station. He went out of his way to explain everything to me and show me all of the equipment. His friendliness and interest in making sure I was enjoying my ride along made for an incredible experience that I will never forget. Thank you Mike.

P.O. Box 7200  
Leesburg, Virginia 20177-7200

Dear Sheriff Chapman,

I want to personally express my sincere appreciation to Lt. Easton McDonald for contributing his expertise and guidance in assisting the Leesburg Police Department in providing progressive and informative training to our law enforcement professionals.

Lt. McDonald played a critical and essential role in assisting in instruction of the Fair and Impartial Policing Training that was provided to 95% of LPD's sworn staff over the course of one week. Lt. McDonald partnered with Leesburg Police Officers to provide my department with this training October 23-27, 2017. His effectiveness is evident by the positive feedback I have personally received from our officers. He should be commended as this curriculum is very difficult to teach.

Thank you for allowing Lt. McDonald to assist the Leesburg Police Department and please convey our appreciation for his efforts and commitment to providing meaningful and fulfilling law enforcement training.

Sincerely,

Gregory C. Brown

I wanted to send you a note to thank you very much for being so helpful during my son's car accident. The accident occurred on October 2<sup>nd</sup> on Algonkian parkway. This was a scary experience not only for him, but also for my husband and I and we so appreciate you being positive towards Cole. Instead of reprimanding him, you gave him advice on how

2

to be a better driver. That meant so much to us as we are hoping this was a learning experience and he will be more cautious. It was a crazy week for our family as I had just been diagnosed with breast cancer 3 days before the accident, so having a police officer be so courteous to our new driver was very reassuring.

Thanks again and it was a pleasure to meet you, but hoping we won't see you again. 😊

Fondly,

Please enter the deputy(s) / employee(s) names: Deputy Sargeant Gas

Incident Location: [REDACTED]

Date of Incident: Mid August 2016

Time of Incident: Circa 1900

Explain the circumstances on why you are paying this compliment: Mid-August of 2016 Deputy Sargeant Gas led a team of officers who assisted in the transport of a family member from my home to the hospital for an evaluation. Deputy Gas met me near my home and carefully orchestrated the effort to enter my home if necessary. There was patience, empathy and professionalism at play in tandem with a solid understanding of the matter at hand. The team went to my home and I listened to the entire interaction via phone. I must admit that I was quite nervous as to how this would turn out, but clearly the training these officers had received and the care extended to my family member was comforting during a particularly difficult time. One of the officers went as far as to provide me an overview of facilities as well as share his experience and knowledge. I am so grateful for the fine men and women on the police force who serve us in Loudoun county. Their dedication to the community and pride in their tradecraft make me proud and extremely appreciative. The concerted effort of outstanding officers on tow occasions over a period of a month made a positive impact

on a family member who got the care they needed in a timely manner and is now successfully on the road to a recovery. I can't say thank you enough! May God continue to protect you and your families as you commit to serving others!

Explain the circumstances on why you are paying this compliment:

Our 3rd grader attended the Halloween Party provided by the HOA for 3rd-5th graders. Officer Sawyer and 2 other Officers were working this assignment making sure the kids stayed safe and traffic kept moving. When I went to pick her up at the end of the party my 2 younger children wanted to say hello to the policemen. We walked over to greet these Officers and right away they were excited to talk to my boys who were in awe that the Policemen were answering and asking them questions ( a ton by the way )!! So much negativity surrounds the Police community that I want to say without a doubt that these and all Officers that take on this job do it to truly help and care for individuals. They are there with a warm smile and helpful hand...These Officers in particular said the thing they love the most about this job are the kids!! The next time you see a Police officer take the time to say hello....my boys couldn't wait to tell their other siblings about their interactions with these 3 special Officers!!! Thank you for all that you do.

**Explain the circumstances on why you are paying this compliment:**

This is a bit late, but life has been busy lately. We had moved from Sterling to Stephens City and my daughter stopped at the house of a friend in Leesburg while on her way to Sterling. To make a long story short, she had an accident with a mailbox. Officer Ally was dispatched to handle the call. I am very happy and relieved that he was the one with whom my daughter had to talk. His kind, gentle manner was both very welcome and, quite frankly, totally unexpected but greatly appreciated. By the time I arrived at the accident site, my daughter was quite composed and relaxed thanks to Ally. He did a great job of explaining the whole incident and the process to me and, again, was quite gracious. I only wish that Loudoun County has more officers like Alpy. He is the kind of officer that I remember when I was growing up and that my parents would always tell me I would be safe near. Hats off to Alpy. Perhaps you can clone him!

Just wanted to pass along some positive news ...

Deputy First Class John Miller (Badge #2958) has been a tremendous asset to our school and community ! Although Deputy Miller has only been at River Bend Middle School for three months, he has made a huge impact in our building. As a principal, I am extremely thankful for our SRO and the partnership between LCPS and the Loudoun County Sheriff's office.
