Explain the circumstances on why you are paying this compliment:

Coffee With A Cop at Chick-fil-A - I would like to thank the Loudoun Sheriff's Department for providing this venue for citizens to thank the Deputies for their service and to talk one-on-one with a Deputy about their concerns. I received a warm welcome when I entered and was able to share my concerns with Deputy Gessner. He listened patiently, did not rush me and did an excellent job of addressing my concerns one at a time. By doing this, it enabled me to see that I had been focusing on several incidents as a whole, not separately. As a result of Deputy Gessner's feedback, I now have my confidence and peace of mind back. I cannot thank him enough and hope that more people will take advantage of Coffee With a Cop in the future!!! Thank you Loudoun County Sheriff's Department for providing citizens with multiple ways to stay in touch!

I am writing to advise you of the exemplary performance exhibited by Detective Mark Bush [REDACTED] when dealing with the case mentioned above. Detective Bush was very patient, kind and understanding in helping me deal with one of the most difficult situations of my life: the sudden death of my [REDACTED]. Detective Bush always returned my calls in a prompt manner and I feel that he went above and beyond in his efforts to help me obtain the information and facts in order for me to attempt to process what happened. For example, instead of just providing information to me that I could give to the funeral home, he took the initiative to contact the cremation provider himself in order to expedite the completion of the arrangements. I believe he also made some calls to the ME's office on my behalf. He is a very compassionate human and reflects a very positive impression of your law enforcement unit.

I cannot express how appreciative I am of Detective Bush's work ethic and qualities as a human being. I just wish that I had met him under better circumstances.

Thanks again to the Loudoun County Sheriff's office for having Detective Bush on staff. He should be held up as an example of what compassionate law enforcement looks like.

Sincerely,

[REDACTED]

Time of Incident: 19:52

Explain the circumstances on why you are paying this compliment: I contacted the non-emergency line to inquire on a juror at the LC district court out of concern that there had been no contact from them and the time of the evening. The call taker patient researched the matter and took the extra step to contact a deputy at the court who confirmed that court was still in session well after its normal closing time. The empathy shared by the call taker in understanding the concern was greatly appreciated and so was the actions taken to look into the matter. Unfortunately I don't have a the name of the call taker

Incident Information

Please enter the deputy(s) / employee(s) names: T. Bradley
Incident Location: Ryan Rd/Beaverdam Dr
Date of Incident: 10/26/2017
Time of Incident: 5:17pm

Explain the circumstances on why you are paying this compliment:

My friend had gotten a flat tire as we were driving down Ryan Rd towards Beaverdam Dr. My friend pulled over and we attempted to change the flat tire. Upon trying to change the flat tire, we were able to determine that it would be much safer to request a deputy sit behind us to slow the traffic down while we changed the flat tire. After we placed a call to dispatch at 5:17pm, deputy T. Bradley arrived around maybe 5:25pm. He immediately activated the rear emergency lights to let others know that there was a hazard on the side of the road and to slow down. Deputy Bradley proceeded to get out of his patrol car and offer some assistance in changing the flat tire. We accepted his assistance without any hesitation. Deputy Bradley took a quick look over the situation and determined that the best course of action would be to grab the 4 pieces of wood laying on the side of the road and put them under the jack since the car was slightly at an angle due to the road's shoulder being on a hill that goes into a small ditch. We managed to raise the vehicle high enough to get the spare tire onto the car. Deputy Bradley noticed we were having trouble getting the tire to stay on the car so we could get the bolts secured to the tire. Deputy Bradley assisted in holding the tire in place while I screwed the bolts into place. After everything was taken care of, deputy Bradley offered to follow us to our destination to ensure that we got there without any further incident. We declined since we were only going around the corner. The entire time that deputy Bradley was on scene he was friendly, courteous, outgoing, caring, helpful, concerned for our safety, and he was nothing but professional. I'd love to see more deputies on the streets like deputy Bradley. Nothing but an amazing deputy. I was very pleased with my encounter with Deputy Bradley.

Explain the circumstances on why you are paying this compliment:

It's only fair to compliment great police work and professionalism. I had two unrelated visits by Deputy Thomas of the Dulles South area and he was thorough, professional and exactly what you would hope a young deputy would be. He even saw my son at the bus stop a week later and asked how he was doing and that made my son's day.
