The family and I dropped off, to the Loudoun station, a couple meat lovers pizzas and a fresh bushel of apples, from the cascades farmers market, on Sunday just to say thank you for catching the murdering thugs and for keeping our community safe. I hope the crew there enjoyed them. A very nice sergeant Johnson? Spoke to us and our kids briefly before heading out and catch another bad guy. Be safe out there! And again, thank you AND your families for your service to the community. It does not go unnoticed and is greatly appreciated! Sincere regards from the Hamblett family.

Hello Mike,

Please pass on my thanks for the excellent work by your deputies, Matt Porpilia and Vemeer. I was out of town on Saturday night when this crash occurred, but my officers expressed their gratitude to me for the quick action of your deputies. After hearing the details surrounding this crash I too am grateful.

My understanding is Deputy Vemeer was first to respond to Corporal McDaniel (my officer) and Deputy Porpilia assisted with the search of the fleeing vehicle and located the vehicle parked in a town house drive way! Trooper Yowell did the investigation of the crash and made the charges. A job well done and I thank them for their quick response to Corporal McDaniel and their tenacity in locating the vehicle and the suspect.

Best regards,

Cindy

#### **PURCELLVILLE POLICE OFFICER UNHARMED AFTER CRASH**

**PURCELLVILLE, Va. September 28<sup>th</sup>, 2015** — At approximately 1215 a.m. Sunday, September 27, 2015, a Purcellville police officer was on a routine traffic stop on the shoulder of the westbound lanes of Route 7 in the Town of Purcellville. While sitting in his vehicle writing a summons, a jeep traveling westbound in the right lane veered into the cruiser striking the front quarter panel. The jeep failed to stop and continued westbound on Route 7. The officer was not injured.

Assistance was immediately provided by both the Loudoun County Sheriff's Department and Virginia State Police (VSP). After a short but extensive search for the vehicle, a Loudoun County deputy located the vehicle 16973 Buckingham Court, Round Hill, VA. The driver of the vehicle, Mr. Norris J. Gaskins was located at this address. After concluding

problems surrounding his medication and Deputy Leonard was called to help transport him to the hospital. My son was very upset and anxious, but the deputy put him at ease and helped to get him settled in at the facility. He was patient and kind, and treated my son with dignity and respect. The officer explained the process to both my son and me, and went above and beyond, extending himself in service to us both. He also worked with the hospital staff to create a compassionate solution to a difficulty that arose during the course of events. I feel very lucky that Deputy Leonard was on duty when we needed help.

I opened the garage door where we were met by officers Ace and Venne. Officer Ace stated that they had a complaint that someone in a blue mercedes with this license plate smoking Marijuana. I started laughing uncontrollably much to the dismay of my wife who yelled, this isn't funny. I explained to the officer's that I had been home for about ten minutes. He then asked, would I mind if he smelled the inside of the car. I said be my guest. I could tell by the look on his face that he was totally embarrassed. Even though the report was totally unfounded, I find it unsettling that someone would do this, but not surprised. However, Both officers apologized for the inconvenience. Throughout this whole mishap, they were very courteous and extremely professional. I understand and realize that they have to follow up on every complaint, no matter how trivial it may be. I applaud their professionalism, however it's sad that individuals can do this and no repercussions aimed their way.

speed limit - limit is 35 mph, but was 25 mph at time because the school zone speed limit was in effect. I wanted to thank the Loudoun County Sheriff's office for deploying resources to enforce speed limits in this area of Riding Center Drive. Speeding along this street has been a problem for a long time, and it is particularly dangerous before and after school hours. While I understand that there are not sufficient resources to have officers in this area to enforce speed limits at all times (but that would be GREAT!), I am hopeful that consistent enforcement will make it clear to drivers along this route that speeding will not be tolerated. South Riding is first and foremost a neighborhood with children, families, schools, and parks - and not an express commuter route to be sped along. Thank you for helping to keep our community safe, and for your efforts to serve and protect throughout the county every day.
