

**Washington & Old Dominion Trail Detour**

The Washington and Old Dominion Trail will be detoured for approximately 1,500 feet at a location between Sterling Boulevard and Crestview Drive in Sterling. This detour, which will be in effect August 22 to 25 and August 27 to 30 between 7:00 AM and 5:00 PM, will permit the safe and efficient construction of a new Dominion Energy transmission pole that is associated with a new substation location off Davis Drive. The detour will consist of both paved and compacted gravel surfaces and features sharp turns. Bicyclists are encouraged to dismount and walk their bikes through this area. Please obey all signage and flaggers when in this area. For reference, see the photos below.

Sincerely,

Koran T. Saines
