

Dear Sterling District Residents,

I wanted to update you on two important upcoming events. The first is a community meeting I am holding and the second is the Sterling Foundation’s annual SterlingFest.

As a reminder, I will be holding a community meeting on September 28 (Friday) on the Davis Drive initiative, which will cover proposed improvements to Davis Drive, Tippet Hill Drive, and Glenn Drive. The meeting will be from 6:30-8:00 pm at the Unitarian church located at 22135 Davis Drive in Sterling. This is an opportunity to receive updates from County officials and other stakeholders on the project and the latest proposed changes. Most importantly, it is an opportunity for members of the public to directly provide input and express

concerns. I hope many of you can attend since community input is an important part of the process. If you cannot attend, feel free to contact me at [Koran.Saines@loudoun.gov](mailto:Koran.Saines@loudoun.gov) or by calling 703.771.5819.

I also wanted to bring to your attention the upcoming SterlingFest event. The Sterling Foundation will hold its 31<sup>st</sup> annual SterlingFest on October 6 (Saturday) in front of the Sterling Community Center. The event will feature music, arts, food and attractions. This will include a Beer Garden with offerings from local breweries for adults and a petting zoo with animals from Leesburg Animal Park for children.

SterlingFest is the primary annual fundraiser for the Sterling Foundation. This is an opportunity to have fun while supporting an important Sterling nonprofit. There is no entrance fee. Additional information about the event can be found at [sterlingfest.org](http://sterlingfest.org).
