

Need health insurance? My office is partnering with Enroll Virginia to hold a health insurance enrollment fair at the Sterling Library on Sunday, November 18 from 1:00-5:00 pm. This is an opportunity for people to work with an expert health navigator to review plan options, as well as potential tax credits to help reduce premiums and other health expenses. An appointment is required to meet with a navigator. Please schedule a free appointment before spots fill up. To set up an appointment you can call 804-432-0199, email deepak@enroll-virginia.com, or sign up directly via [this link](#).

Health insurance is vital and I am committed to helping as many Sterling residents get covered as possible. I will be holding additional health fairs in December, January, and February. The January and February ones will focus on Medicaid.

If you are unable to attend any of these fairs you can schedule an appointment online [here](#) and get help at the HealthWorks for Northern Virginia locations in Herndon and Leesburg.

got HEALTH INSURANCE?
Need health insurance? Let us help you!
