Incident Information

Please enter the deputy(s) / employee(s) names: Deputy Aply

Incident Location:

Route 7 west/ Rt 9

Date of Incident:

8/25/2018

Time of Incident:

2pm

Explain the circumstances on why you are paying this compliment:

Deputy Aply was extremely courteous and professional on a traffic stop when I was clearly in the wrong. Thanked me for my cooperation and not disregarding or delaying the inevitable. I am a concealed weapons carrier and he immediately thanked me for advising him of that. He was friendly and outgoing in a profession that is very under appreciated.

**Sheriff Chapman
Loudoun County Sheriff's Office
P.O. Box 7200
Leesburg, VA 20177-7200**

Dear Sheriff Chapman:

Several weeks ago, I committed a traffic violation that was witnessed by Deputy Alpy in front of Franklin Park on business route 7. When he came to my window to give me my citation, I had already prepared myself for a gruff, no-nonsense officer who was going to throw the proverbial book at me for my offense. What I was not prepared for was his kindness.

What I had done was completely out of character for me. Quite frankly, it was the rock bottom I had been needing for a very long time. I don't know how or even if Deputy Alpy knew that I was needing his kindness that afternoon, but I will tell you that my life is better today because of him. While he did give me the summons I very much deserved, he also gave me some very good advice and tough love to go along with it.

His professionalism, sincerity and compassion is something I will never forget. I am thankful that he is working in our community to make it a safer and better place for all of us. I don't know how else I can pay it forward other than to share my experience with you in hopes that he can be recognized for his service to Loudoun County.

Sincerely,

My fiance wrecked his beloved 1969 3/4 ton Chevy pickup in June. It was a huge blow and heart break for not only him but his family as well. Although the truck was totaled, much to everyones surprise he walked away with no more than a couple of bruises. Master Deputy Alpy was kind, understand and supportive of both my fiance and myself. We feel very fortunate to have had such an amazing and positive interaction in a scary and sad time for us. Thank you M.D. Alpy, I am happy you serve in our community!

Explain the circumstances on why you are paying this compliment: My 11 year old son was in the ER and we got moved to a stretcher in the hallway. The ER was quite busy, had a handful of officers, and my son was there taking in all the ER activities and had his own emergency issue. Officer Nelson came up and was making jokes with my son, offered him a drink and made conversation with me. I really appreciated the concern and distraction he was offering during the stressful moment in our lives.
