Thank you Officer Lu for assisting with the speeding problem in our neighborhood. I often walk the neighborhood in the afternoons and have experienced many drivers who have little respect for pedestrians. The Sheriff's vehicle parked in our

neighborhood has made a huge difference. Thank you for your service.

Deputy First Class Hao Lu

Incident Location:

Old Ryan Road

Date of Incident:	31 Aug 18
Time of Incident:	1600
Explain the circumstances on why you are paying this compliment:	A huge thanks to Deputy Lao for placing a squad car and speed sign along Old Ryan Road. Many people in the Moorefield Green neighborhood have asked for help in curbing people who speed through residential streets. We believe most spenders are cutting through the neighborhood. I live on Clarendon Square, and while the situation has improved since the bypass road open, there are a number of "repeat offenders" who continue to drive recklesslessy. Thanks Deputy Lu!

Incident Information

Please enter the deputy(s) / employee(s) names: Sergeant Jason Leydig and First Class Hao Lu

Incident Location: Old Ryan Road - in Moorefield Green Community

Date of Incident: August 2018

Time of Incident: *Field not completed.*

Explain the circumstances on why you are paying this compliment: During multiple occasions throughout the month I have been in contact with Sergeant Jason Leydig about a speeding issue on Old Ryan Road in the Moorefield Green community - where the speed limit is 25 MPH. On every single occasion Sergeant Leydig was highly responsive to my complaints. On multiple occasions he personally made a visit to the "problem" area to gain insight of the speeding issue. He provided me with possible alternative methods to address the problem through VDOT (e.g. speed bumps etc.). Throughout this period, he provided highly responsive and informative e-mails to me - where he kept me informed of the latest status. He and First Class Hao Lu posted a "decoy" police car on Old Ryan Road on/around 30 August and also a electronic sign which warns traffic to show caution. As a result of both Sergeant Leydig's and First Class Hao Lu's effort the speeding situation on Old Ryan Road has been greatly improved over the past several days. I am hopeful that in the future days and months that both Sergeant Leydig and First Class Hao Lu will periodically monitor the situation - police presence in an area always reminds the speeders that there are consequences to disobeying the speed limits. Thank you both Sergeant Leydig and First Class Hao Lu for a job well done.

Explain the circumstances

Both Officer Marty and his partner helped with our family member's mental health crisis. They asked the right questions with an understanding demeanor, which helped keep the situation calm and conducive to pointing our loved one in crisis toward help, rather than escalating things. Officer Marty and his partner provided us with information about Loudoun County's Crisis Intervention services, and we are glad to know where and how our family member can get help in a non-threatening

(i.e. outside the hospital) setting. We hope to take advantage of these services soon, and we also hope never to need to call law enforcement again. But we are very thankful that the guys who answered our call were such well-trained professionals. They really made a difference for us in our time of need. Thanks, again.

A very belated thank you to Purcellville Officer Matthew Hays and Sergeant C.J. McDaniel, and Eastern Loudoun Station Commander Thomas DeLitta for changing my flat tire after midnight June 30.

Coming home from a late work shift, I had veered into a curb near the traffic circle as a cat crossed the road. After calling the Sheriff's office, I was so surprised when all three men showed up within 10 minutes and put my spare on. Wonderful help from local police.

Explain the circumstances on why you are paying this compliment: Thank you, Deputy Lu, for ensuring the safety of the community at Moorefield Green. The installation of the sign and decoy LCSO car have shown marked improvements in the speeding and traffic control along Old Ryan Road. I have watched cars that would normally zoom through the community slow down and display the necessary and appropriate caution as a result of these actions. I hope that it can facilitate some permanent habit changes in the area. Thank you so much for all of your efforts- they do not go unnoticed!

Incident Location: [REDACTED]

Date of Incident: 9.11.18

Time of Incident: 10:00am

Explain the circumstances on why you are paying this compliment: Alarm sounding at residence. I just wanted to say thank you to the 2 deputies that responded to my home for an alarm sounding. They contacted me through my home Ring door bell and waited for me to come from work. They did come into my home with me to make sure everything was fine and nothing was missing. Thankfully it was just a false alarm. However I did appreciate the concern and their professionalism. I am very proud to be a Loudoun County resident and to have such great men and women to look over us. Thank you for all you do.

Incident Information

Please enter the deputy(s) / employee(s) names: Master Deputy Alpy, Deputy Miller, Deputy First Class Kernan and Senior Deputy House. Captain G. Ahlemann and Customer Service Specialist Tracey Walcott

Incident Location: [REDACTED]

Date of Incident: 07/10/2018

Time of Incident: 11:20 AM

Explain the circumstances on why you are paying this compliment: I would like to thank the following Sheriff's Deputies for Loudoun County, specifically that of the Western Loudoun Station, who rose to assist in a very difficult and life changing event with the passing of a family member. Master Deputy Alpy, Deputy Miller (who was on his 2nd day out of the academy and under the watchful eye of Master Deputy Alpy) and Deputy First Class Kernan. I would also like to make a

special mention for Senior Deputy House who, on a separate but related occasion performed his duties with exceptional due diligence to gain a full and thorough understanding of the situation - this made a significant positive difference that greatly helped in calming the difficult events being faced. Master Deputy Alpy is the personification of knowledge, procedure and professionalism - all of which he was instilling into Deputy Miller through on the job guidance and training. It was very clear that Master Deputy Alpy is extremely watchful and instilled in Deputy Miller to perform the correct procedures the first time around, making sure Deputy Miller is methodical in his actions. Deputy Miller is and clearly will be a superb member of the Loudoun County Sheriff's Office. All deputies were professional, thorough, calming and compassionate. I can surmise that the exceptional actions of the Deputy's mentioned exist as a result of the leadership provided by Captain G. Ahlemann whom I have not met but he clearly sets an exemplary standard. I would also like to mention the kindness and helpfulness of Customer Service Specialist Tracy Walcott at the Western Station. Thank you to all, please accept my humble appreciation for all that was done. You made all the difference in a trying situation and I couldn't be more grateful.

Incident Information

Please enter the deputy(s) / employee(s) names: Deputy Mark Rodriguez

Incident Location: Hamilton Station Road

Date of Incident: September 10, 2018

Time of Incident: 22:30

Explain the circumstances on why you are paying this compliment: The known motto of a deputy is to "protect and serve" his community. Officer Rodriguez lives this motto every second he is on duty. I had an auto accident that was pretty severe, and when I was in the ambulance getting checked out, he made it clear that he was just as concerned as a parent would've been. He gave me his card, and let me know that if I needed anything or had any questions to give him a call. This is why I love LCSO. Caring, compassionate and always willing to lend a hand. And, though highly unlikely, if Officer Rodriguez needs a helping hand from a civilian, I should hope that he knows to give me a ring! God Bless you and all that you do!

Date of Incident:

Time of Incident:

3-6 PM

Explain the circumstances on why you are paying this compliment:

My wife, [REDACTED], suffers from Alzheimer's disease. Yesterday afternoon she "escaped" from the house. She had pulled of her LIFESAVER monitor - again. I searched for her frantically by foot and vehicle, then called 911. I think I talked to DEP Vargas. I continued my search by vehicles while neighbors searched by foot. When I returned to the house LT Holhway, SGT Martin, DEP Vargas and I presume others out of sight were on it like a blanket! Long, anxious story later they told me

she had been located by the Herndon police, and was returned home. What a great positive example of police in action and seamless interpolice cooperation. Also what a great example to my immigrant neighbors that police here are different. Later a very large officer, I didn't get his name, arrived and put another LIFESAVER monitor on [REDACTED] ankle (more difficult to get it off). Thanks for swift, effective action. And thanks for training and keeping the best. Keep up the good work.
